TPS | The Petersfield School

Team TPS Weekly

Friday 2 October 2026

Welcome from

The Team TPS Runners

Team TPS Runners are training hard for the challenge of the Great South Run, taking place in Portsmouth on the weekend of 17-18 October. All money raised will support the work of the Rosemary Foundation in memory of Mr Newton.

Pip Markey will be running the 5K race on Saturday. The 10-mile race on Sunday will be tackled by Mr Jennings, Mrs Gilliatt, Mrs Davies, Mrs Reah, Miss Ferrara, Mrs Vaudrey and Mr Blackman.

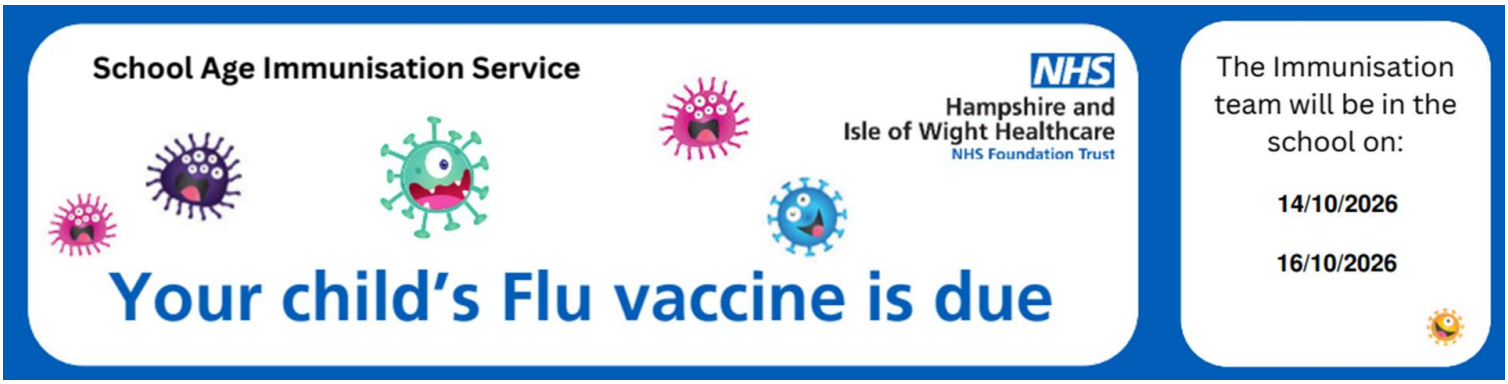
There will be a special Team TPS cheering point on the Sunday, so please come down to Portsmouth and support us (more details to follow).

Any students who are running the 5K event on the Saturday and wish to raise money in memory of Mr Newton, please ask your supporters to donate via the link.

Please click on the link to sponsor our intrepid team **The Petersfield School Fundraiser for The Rosemary Foundation**

Communications & Reminders

Flu Vaccinations



A reminder that the Immunisation Team will be in school on **14 and 16 October** to administer the Flu Vaccination to students in **Years 7-11**.

Please complete the consent form using the link below, even if you do not wish your child to receive the vaccination

Consent form School code: SH136903

Applications for teacher training are opening on 6 October! Places are available to view from 29 September.

If you're considering a rewarding career in teaching, now is the perfect time to take the first step. Inspiring Future Teachers (IFT) offers school-centred teacher training, helping you develop the skills and confidence to make a real difference in the classroom.

Apply from 6 October via DfE Apply and begin your journey into teaching.

Elite Journey

Paid Opportunity

Host Families Wanted for UK - China Cultural Exchange Programme!

Elite Journey is delighted to be returning to The Petersfield School (TPS) this winter as part of our ongoing UK-China Cultural Exchange Programme.

As part of the exchange, we are once again looking for host families within the TPS community to welcome these students into their homes and provide them a warm and supportive environment during their stay.

For more information, please click on the link below:

[Host Families]

TPS Summer Reading Challenge – Celebrating our Love of Reading

A huge well done to our Year 8–11 students who took part in our annual Summer Reading Challenge.

With some students reading an incredible 9+ books over the holidays, tackling creative activities and reviewing books, we have been delighted to recognise their enthusiasm and dedication. The students received Headteacher's Commendations and spent break time with Mr Marande sharing their most recent top reads.

This week for TPS Talks we have been finding out about the growing influence of social media personalities and the concerns surrounding some online influencers who have been accused of serious crimes and promoting harmful attitudes towards women.

Students have been discussing and debating whether influencers have had a positive or negative impact on society, and how social media can shape young people's views about success, relationships and identity. They have also explored the difference between positive role models and those who spread harmful messages online.

They have been tasked with thinking about whether influencers should be held more accountable for the content they create, and whether social media platforms are doing enough to protect young people from harmful online influences.

TPS - Spotlight

This week, we were delighted to welcome Chandra Donelson, author of The Data Detective and an award-winning data and AI strategist, to speak with more than 250 students, alongside students from Bohunt Liphook and Bohunt Wokingham.

Chandra has built a career at the intersection of data, artificial intelligence and leadership. Her experience includes serving as Chief Data and Artificial Intelligence Officer for the U.S. Space Force, and her work has earned her recognition as a leading voice in data and AI. She is also passionate about helping the next generation understand the increasingly important role data and AI will play in their lives and future careers.

During a conversation with one of our students in the Studio, Chandra shared her unconventional career journey, from starting a formalwear business as a teenager to leading teams tackling complex data and technology challenges. Students then had the opportunity to ask their own questions during an engaging Q&A.

Throughout the session, Chandra spoke about perseverance, resilience and the importance of being willing to take on difficult problems. Her key message was to believe that we are all capable of doing anything that we set our mind to.

Students from Year 7, 10 and 11 demonstrated real enthusiasm for the session and asked a selection of great and insightful questions. Special mention should go to Anthony M (Year 11) and Harriet D (Year 7). Each of these students were fantastic ambassadors for TPS as they confidently led the initial **conversations with Chandra.**

As one student said, after the session, 'She was very inspirational!'

IS MY CHILD TOO ILL FOR SCHOOL?

A QUICK GUIDE FOR PARENTS

Slight cough, runny nose, sore throat or headache?
If they're otherwise well and have no high temperature, they can usually attend school.

High temperature?
If above 38 degrees, keep them at home until it has gone down.

Vomiting or diarrhoea?
If your child is unwell with sickness or diarrhoea, please keep them at home and contact school for guidance.

Chickenpox?
Stay off until all spots have crusted over.

Conjunctivitis, cold sores, head lice, hand foot and mouth, threadworms?
Usually no need to stay off if they feel well enough.

Anxious or worried?
Avoiding school can make anxiety worse – speak to school so we can help.

Period pain?
If your child feels well enough, they should usually attend school.
We can support with pain relief, comfort items and pastoral help if needed.

When in doubt, check the NHS guidance or contact the school

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many issues which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about

ANIME

Anime, which originates from Japan, is currently one of the most popular sources of entertainment in the world. This style of animation goes back to the mid 20th century, with a broad audience ranging from children to adults. Known for its epic stories, anime often crosses over with video games and other avenues of pop culture via adaptations or spin-offs – such as Cyberpunk: Edgerunners, an anime web series based on the popular video game, Cyberpunk 2077. The most common intersect, however, is manga: a form of graphic novel from which most anime is adapted.

WHAT ARE THE RISKS?

INAPPROPRIATE CONTENT

Some people assume that anime is safe for children purely because it's animation. However, a large amount is actually geared towards adults, often featuring swearing, graphic violence and nudity. Many anime series follow dark storylines, such as Cyberpunk: Edgerunners, which has swiftly become known for its extreme gore, sexual content and disturbing depictions of mental health conditions.

COMMON CROSSOVERS

It's easy for children to get drawn into anime through its many crossovers into video games, such as Fortnite and Call of Duty, while anime art styles are often used for other products, due to its popularity. Titles like the RPG Genshin Impact may look quite cute and accessible, but its loot-box mechanics can introduce young players to behaviours that have much in common with gambling.

DECEPTIVE APPEARANCE

It's easy to mistake anime graphics for a sign of harmless, child-friendly content. This style (big eyes, colourful hair and cute voices), however, can disguise some extremely adult themes. Yandere Simulator, for example, strongly resembles a child's game at face value, thanks to its art style, but in reality it features incredibly dark themes such as murder, kidnapping and torture.

ROBLOX REPRODUCTIONS

There are hundreds of user-created Roblox games which take their inspiration from anime and manga. While many of these titles will be perfectly age appropriate, there are some that prefer to focus on the storylines of adult and horror anime. Death Note, for example (based on the manga and anime series of the same name) would probably be extremely disturbing for most younger players.

MATURE MANGA

The majority of anime is adapted from manga: a form of Japanese comic book. Manga usually features an age rating on the back cover, and it's worth bearing in mind that just because it's a comic, that doesn't mean it's suitable for youngsters. In fact, most popular manga leans heavily towards darker subject matter, which is unquestionably aimed at an adult audience.

ADULT THEMES

Hentai is a type of manga, anime and video game which revolves around characters engaging in explicit sexual encounters. While anime of this kind is usually only found on pornography sites, some gaming platforms – such as Steam – *do* allow the sale of these titles (referred to as 'H-Games' in the community) and even feature them on the front of their store page when sales are on.

Advice for Parents & Carers

DO YOUR RESEARCH

Despite all the problematic content, there's still a lot of anime out there which is completely child friendly. Pokémon and One Piece are all long-running anime shows which have family-friendly stories and content. Make sure you check for age ratings and content warnings on streaming platforms when deciding if a particular anime series is suitable for your child.

IT'S NOT JUST TV

Anime is most often in the format of a TV series, but it is also presented as films. Studio Ghibli is often referred to as 'the Japanese Disney' due to the quality and number of films they produce. Most of their movies are fine for children, though they often feature more mature subject matter than western animation: Grave of the Fireflies, for instance, is set in Japan during the Second World War.

WATCH WITH YOUR CHILD

Anime covers a multitude of topics, so it's easy to find something that the whole family can enjoy. Anime shows typically involve action and adventure, superheroes, romance, comedy and much more. Watching this content alongside your child isn't only a way to spend quality time together – it will also help you to spot quite quickly if there's potential for any difficult topics to arise in the show.

CHECK GAMES' FEATURES

Often, crossovers with video games simply involve using anime characters as 'skins' to modify the appearance of characters while playing (as in Fortnite, for example). If your child's interested in an anime-inspired game that you're unfamiliar with, however, look online at the game's features and for any content warnings to gain a clearer idea of what your child might be exposed to.

Meet Our Expert

Daniel Lipscombe is a writer specialising in technology, video gaming, virtual reality and Web3. He has also written 15 guidebooks for children, covering games such as Fortnite, Apex Legends, Valorant, Roblox and Minecraft. With work published by the likes of PC Gamer, Kotaku, Pocket Gamer and VG247, he has reviewed more than 50 games and products over the past year.

Sports Results and News

Monday 28th September

Year 11 Girls Football County Cup

TPS 1-0 Mountbatten

Year 10 Boys National Cup Round 2

TPS 1-4 Purbrook

Year 7 Boys Football National Cup/County Cup Round 1

TPS 3-3 Hounsdown (Hounsdown Win on Penalties)

What a game of football to make your year 7 debut in!

Well done to the Year 7 boys who played their first game for TPS on Monday in a County and National Cup double header game against Hounsdown. The boys had a difficult start to the game conceding two early goals before Hounsdown added a third before half time. In true TPS fashion the boys were resilient and came out flying in the second half. A fantastic header from Sam started the comeback before Kayo scored an excellent second. TPS pressed for a third before Kayo scored a rocket of a half volley from 25 yards out. TPS were unlucky not to get the win in normal time with a few close chances late on.

The game then went to penalties and unfortunately on this occasion TPS weren't able to complete the comeback but the boys should be very proud of their efforts. We look forward to the two league campaigns due to start in November.

Tuesday 29th September

Year 8 Boys National Cup Round 2

TPS 0-2 Durrington High School

A really scrappy game for the TPS boys after their recent success in the County Cup. A game with limited chances ended in a very close fought 2-0 defeat. TPS had patches of the game where they looked in control but struggled to find the clinical pass or finish in the final third. A close performance against a team who finished in the final 8 of the National Cup last year was an excellent performance.

Year 8 Rugby County Cup Round 1

TPS 56-0 Kings

Wednesday 30th September

Year 11 Football WSW League

TPS 3-0 Midhurst

Year 11 Boys Handball Southern Counties Qualifiers

TPS 3-0 Brookfield

TPS 7-6 Romsey

TPS 7-3 Horndean

A great start to the handball season by the Year 11 boys. Three wins from three with a huge squad rotated successfully by coach Nathan. TPS started bright and looked like they could score from every attack, a small sized court limited TPS movements at times but managed to find a result in the first game against Brookfield. The second game against Romsey, TPS had to battle back from being a couple of goals down early on. TPS showed excellent team work and again came back to win the

game 7-6 overall managing the final parts of the game very maturely. The day was capped off with another excellent win over HTC. TPS have Toynbee, Oaklands and Swanmore on Friday 9th October in the hope of finishing in the top 2 of the league to qualify for the Super 7 competition in April.

Year 9 Rugby County Cup

TPS vs Swanmore

Thursday 1st October 2026

Year 9 Girls Football County Cup Round 1

TPS 4-3 Noadswood

Year 11 and 10 Girls Netball WSW League

Year 7 Boys Rugby vs Eggars

And Finally...

Team TPS History

We have recently uncovered a Team TPS archive of old photos and press cuttings. Over the next few months we would like to share some of these wonderful memories with you .

This week: Open Evening 1997

In 1997 TPS held an Open Evening event for future students. Displays included dance workshops, cooking demonstrations, electronics and many other "hands-on" activities.

Visitors also enjoyed guided tours and a talk from TPS Headteacher Mrs Bell.
