Team TPS Weekly

TPS | The Petersfield School

Friday 13 November 2026

Introduced by

Miss Taylor and the CCF Cadets

Hello Everyone! I'm Miss Taylor, Mathematics Teacher and Co-Lead of Outdoor Education.

As a part of TPS's Combined Cadet Force; this week has been extra special, as we marked Remembrance and Armistice Day. Students and staff across TPS took time to reflect on the sacrifices made by members of the Armed Forces, past and present.

Through discussions in tutor time, acts of remembrance, and our two-minute silence, students have showed great respect and maturity. It has been a valuable opportunity to remember those who gave so much and to reflect on the importance of service, courage, and peace. and understanding in today's world.

On Sunday morning, Head Boy Ted, Head Girl Eve, Mr Marande and members of the TPS Singers represented the school at the Petersfield Service of Remembrance.

Eve and Ted laid a wreath from TPS at the war memorial, while cadets read names of the fallen from Petersfield. Our students were also represented in the local youth organisations who laid wreaths and the TPS Singers sang hymns as part of the service. The Mayor's Cadet, Sam, laid a wreath with Petersfield Town Mayor, Cllr Matthews.

Communications & Reminders

Parent Governor Election

I wrote to you recently to invite nominations for parent governor vacancy for our school.

I am delighted to say that there has been a good response and there are more candidates than posts available. This means we must now hold a vote to elect one of the candidates to the post.

There is a link below for an online form which contains:

A list of the candidates' names (in alphabetical order)

A copy of the personal statement from each of the candidates

The provision to select your preferred candidate to fill this role

Each parent/carer of children registered at the school can submit the form once to register their vote, regardless of the number of children they have attending the school. Each parent/carer must vote on a separate form. The form will request your name and child(ren's) name in order to ensure that only those eligible cast a vote. This information is only shared with the BET governance team and not with the school. Any votes where a parent / carer name has not been added will not be eligible to be counted to prevent any fraudulent counting.

The form provides the option for each parent/carer to vote for their preferred candidate. The election will be decided by a simple majority of votes cast. In the event of a tie, lots will be drawn.

When the election has been completed I will let you know the outcome. If in the meantime you have any queries, please let me know.

Please note that the deadline to submit your vote is **Wednesday 18th November 2026 @ 8pm**

VOTING FORM - Parent Governor Election - The Petersfield School

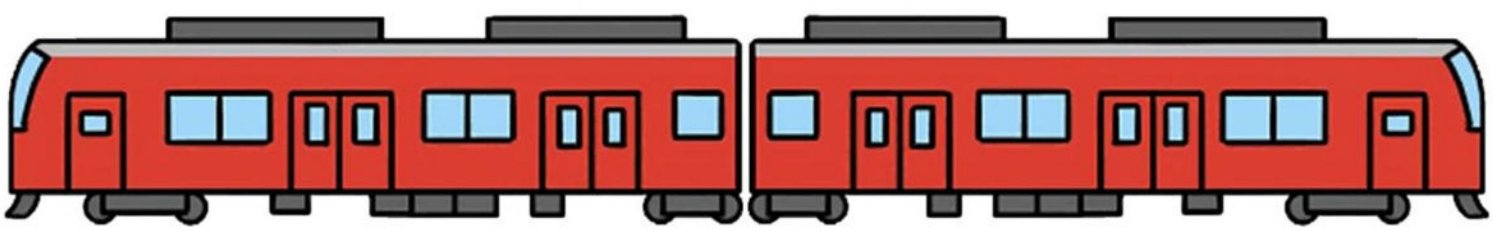
Spring Term Rail Season Tickets



Spring term rail season tickets for the period from 5th January to 25th March 2027 are now available on ParentPay to students who have purchased one previously.

The deadline for payments on ParentPay is the 6th December 2026. You will need to enter your child's date of birth and the number of their valid rail photo ID card to proceed with the order.

If you have not ordered a rail season ticket from school before and you would like to order a rail season ticket then please email fcooper@petersfieldschool.com before the 2nd December with your child's name, year group and the station that they will be travelling from and we will make the option available to you.

Elite Journey

Host Families Wanted for UK-China Cultural Exchange Programme!

Elite Journey is delighted to be returning to The Petersfield School (TPS) this winter as part of our ongoing UK-China Cultural Exchange Programme.

As part of the exchange, we are once again looking for host families within the TPS community to welcome these students into their homes and provide them a warm and supportive environment during their stay.

For more information, please click on the link below:

Host Families

This week in TPS Talks, students have been exploring the debate around social media algorithms after the TikTok platform was accused by the European Commission of using

technology that encourages excessive scrolling and may negatively affect users' mental health.

Students have discussed the advantages and disadvantages of algorithms, considering how they can help people discover new interests and navigate huge amounts of online content, while also recognising concerns about the impact they can have on wellbeing and the information people are exposed to.

They have been encouraged to think critically about who should have the power to decide what users see online, debating whether that responsibility should lie with social media companies, independent organisations, or individual users themselves.

TPS-Talks-Week-10-13.11.26.pdf

PRE-♻WNED EVENT

The joy of recycling

Pre-owned Uniform and Prom Attire Event

TPS will be holding its first pre-owned uniform event on **Thursday 10 December, from 6pm to 8pm in the Studio**.

If you have any good-quality TPS uniform that your child has grown out of, please hand it in at Reception after half term so that it can be given a new home.

We will also have **prom dresses, suits and accessories** available for our Year 11 students.

All items will be free of charge, and everyone is welcome.

Football Kit Appeal from Herne Junior School

Herne Junior School

Over the last couple of years, Herne has lost a significant amount of its school football kit. The school previously had six full kits available for matches, but now only has two remaining.

If your child has ever played for a Herne football team, please could you check at home to see whether you have any kit that could be returned or donated back to the school? Any donations would be greatly appreciated and can be handed in at Reception or brought directly to Herne Junior School.

The school is particularly missing kits in **green, blue and red**, as well as some **pink** and **orange/black** kits.

Thank you for your support in helping Herne rebuild its football kit collection for future teams.

Congratulations Joseph!

enjoy respect achieve 21,763 ERAs for the whole school this week!

Year 8

Year 8 Assessments

Year 8 will be sitting assessments in the majority of their subjects between Monday 16 November and Friday 27 November. These will be an important opportunity for students to apply what they have been learning in lessons and receive feedback on how to improve from teachers. Further to this, the **History, Maths Paper 2** and **Geography** assessment will take place on **Tuesday 17 November** and **Wednesday 18 November** in the Sports Hall in exam conditions. This is to build students' confidence in working in this manner and help them to achieve their best work.

Maths Paper 2 is a calculator paper so students will need their calculators.

Please ensure students are fully equipped with **all** the equipment they need for these assessments such as: a black pen, pencil, ruler, protractor, and a pair of compasses. All equipment must be in a clear pencil case.

Water can be taken into the assessment but must be in a clear plastic bottle. Students are **not** permitted to take any unauthorised items into the exam room such as phones, watches of any kind or air pods.

Please see the timetable below for the assessments taking place in the Sports Hall. All other assessments will be completed throughout the assessment window during lesson time.

Lesson	Time	Tuesday 17 November	Wednesday 18 November
P1	08:55-09:50		**Maths Paper 2 – calculator** *40 minutes*
P3	11:05-12:00	**History** *45minutes*	
P5	13:30-14:30		**Geography** *45 minutes*

We are excited to announce the opportunity for pupils in Year 8 to participate in the TPS Bushcraft Camp in association with Campfire Wild Adventures during ERA Week.

The bushcraft camp will give students in Year 8 the opportunity to build on the experience of Year 7 residential camp by taking part in a variety of outdoor learning and adventure activities designed to promote independence, resilience, confidence and teamwork whilst in a fun and stimulating outdoor environment with their friends. The camp is also designed to help students develop the skills, knowledge and character to successfully participate in the Duke of Edinburgh program run in Year 9 & Year 10.

P4	12:00-12:55	Media Studies **1h 30m**				
Lunch	12:55-13:30	Lunch				
P5	13:30-14:25	**Physics (Single/Combined)** *Single – 1h 45m* *Combined – 1h 15*	**French/Spanish/Mandarin Reading** Foundation: 45m Higher: 60m	Drama NEA	**Geography P2** *1h 30m*	NCFE Food Tech NEA
P6	14:25-15:20					

Please note the duration of each exam has been included in the overview timetable to help parents and students plan for transport home should the exam extend beyond the end of the school day. All afternoon exams (for both the PPEs and GCSEs) will begin at 1.30pm and students are required to be in attendance for the full duration of the exam.

Your support in ensuring your son/daughter arrives on time and is fully equipped for their exams is greatly appreciated. As a minimum they **must have** a black pen, pencil, ruler, protractor, calculator, and a pair of compasses. We also recommend a highlighter for highlighting questions All equipment must be in a clear pencil case.

Water can be taken into the assessment but must be in a clear plastic bottle. Students are **not** permitted to take any unauthorised items into the exam room such as phones, watches of any kind, air pods or notes.

A link to the relevant subject topic lists is also provided to help students prepare effectively:

YEAR-11-NOVEMBER-PPE TOPIC LISTS

TPS - Spotlight

Ulysses Trust Outstanding Service Award

We are proud to share that Lt Robert Newton was posthumously awarded the Ulysses Trust Outstanding Service Award at the His Majesty's Lord-Lieutenant of Hampshire Awards 2026.

This prestigious award recognises outstanding commitment to adventurous and challenging activities within the Cadet Forces and celebrates the dedication of volunteers who go above and beyond to support the development of young people.

Rob Newton's enthusiasm, leadership and tireless commitment helped shape the confidence, resilience and character of countless cadets throughout his service.

We are delighted that his contribution has been recognised in this way and extend our congratulations to his family on receiving the award on his behalf.

Rob still inspires our current staff cadet leaders and cadets alike, through the TPS CCF which continues as part of his legacy.

E-Safety

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many apps which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about TIKTOK

AGE RESTRICTION 13+

(certain features are restricted to over-18s only)

TikTok is a free social media platform that lets users create, share and watch short videos ranging anywhere from 15 seconds to 10 minutes in duration. The app gained notoriety for its viral dances, trends and celebrity cameos and can be a creative, fun platform for teens to enjoy. Now available in 75 languages, it has more than a billion active users worldwide (as of spring 2022) and is most popular with the under-16 age bracket. In fact, a 2022 Ofcom report found TikTok to be the most-used social media platform for posting content, particularly among young people aged 12 to 17.

WHAT ARE THE RISKS?

AGE-INAPPROPRIATE CONTENT

While TikTok's "Following" feed only displays videos from users someone follows, "For You" is a stream of clips based on their previously watched content. Most videos on a child's "For You" feed will therefore be light-hearted and amusing, but it *could* potentially surface something unsuitable. TikTok's guidelines prohibit the sharing of illegal or inappropriate content, but the sheer volume of uploads mean they aren't manually monitored and vetted.

IN-APP SPENDING

TikTok is free, but users have the option to buy TikTok coins, which can be used to purchase emojis in the app. These emojis are then sent as rewards (retaining their monetary value) to other users for videos they've created. Coin bundles range from £9.99 to an eye-watering £99; TikTok's policy is that they can't be bought by under-18s, but it's possible to bypass this with a fake birthdate.

DANGEROUS CHALLENGES

Due to TikTok's immense popularity, some young people have unfortunately been influenced by videos challenging them to perform harmful, criminal or even deadly acts. One extreme example was the 'blackout' trend, which encouraged users to hold their breath until they passed out from a lack of oxygen. It led to two families filing lawsuits against TikTok over the tragic deaths of their children.

ADDICTIVE NATURE

TikTok can be addictive, especially for young people: compulsive repeated use can interfere with sleep patterns and be a distraction from other activities. The platform recently introduced default usage time limits of 60 and 100 minutes for new members under 18 (in the UK, children with TikTok average 102 minutes per day on the app), but these restrictions can easily be removed in the settings.

CONTACT WITH STRANGERS

With around 1.1 billion users globally, the potential for contact from strangers on TikTok is high – especially as accounts created by over-16s (or youngsters using a false date of birth) are set to public by default. This not only means that someone's profile is visible to everyone else on the app: it also lets their videos be suggested to others and enables anyone to comment on them or download them.

TIKTOK NOW

Introduced in late 2022, the 'TikTok Now' feature lets users post a daily video or photo at the exact same time as their friends. Users receive a synchronised notification at a random time of day, giving them three minutes to take a video or real-time photo. This addition can not only be a distraction to young people but could lead to them inadvertently sharing private content such as their location.

Advice for Parents & Carers

ENABLE FAMILY PAIRING

Family Pairing allows parents to link their TikTok account with their child's and control their settings remotely. Parents can then, for example, turn on Restricted Mode (reducing the chances of a child seeing inappropriate content); set screen time limits; and manage their child's ability to send messages (and to whom). Children can't alter these settings without parental approval.

MAKE ACCOUNTS PRIVATE

Although under-16s will have their TikTok account set to private by default, bypassing this setting is relatively easy. However, parents have the ability to manually set their child's account to private – meaning that their videos won't be visible to strangers and they won't be able to exchange messages with people who aren't on their friends list.

LIMIT IN-APP SPENDING

If your child is using an iPhone or Android device to access TikTok, you can alter the settings to prevent them from making in-app purchases. We'd recommend that you enable this feature, as it's quite easy for a young person – without realising what they're doing – to spend a significant amount of real money buying TikTok coins so they can unlock more features of the app.

DISCUSS THE DANGERS

If your child wants to use TikTok and you're happy for them to do so, it's crucial to talk about the potential risks in this type of app. For example, ensure they understand not to share any identifying personal information – and that they realise they could be exposed to inappropriate content. Thinking critically about what they see on TikTok can help children become generally more social media savvy.

READ THE SIGNS

If you're concerned that your child might be spending too much time on TikTok, or that they've been emotionally affected by something inappropriate or upsetting that they've seen, it's important to know how to spot the possible signs. Increased irritability and a lack of concentration are potential red flags, as are failing to complete homework or regularly not eating meals.

Sports Results and News

Friday 6th November

U14 Girls hockey v Eggars, Perins and Amery Hill

The first of the Friday night lights series involved games against three teams. With a diminished squad meaning we played all the girls and took on a strong Eggars team first. Both teams were a little sluggish to start but the pace soon picked up with both teams testing the goalkeepers. Eggars broke the deadlock first and scored but TPS continued to push on and made some passing plays. They continued to challenge the goalkeeper but couldn't score and the win went to Eggars.

The second game against Amery Hill started fast but TPS struggled as Amery Hill didn't have a goal keeper which meant that the girls were outnumbered by two. However, they did manage to find some space and score. As the game continued the girls struggled to cover all players and we finished the game 3-1 down.

The final game was against Perins and the girls were determined to finish on a high and they did. The girls scored early and worked together to defend well and protect their league. They were able to continue the energy, despite having no subs and were able to add to their lead. They finished the game with a 2-0 win and their first win as an U14 squad. Well done girls.

Monday 9th November

Year 10 Girls Football National Cup

TPS vs Weydon

The Year 10's had their next National Cup game against Weydon, a very strong side. With lots of missing players and lots of the girls playing out of position, they adapted, worked well as a team and battled 100% throughout the game. They got an early goal, but Weydon managed 4, making the score 4-1. They managed to bring the score back to 5-3 with great goals from Martha and Isabelle. They continued to battle but unfortunately could not get the win with the score finishing 6-4. A very unlucky day for the Year 10's. One year left at TPS to win the Cup!

Year 9 Boys Football National Cup

TPS 0-4 Windsor Boys

Year 10 Rugby County Cup

TPS vs Embley

Tuesday 10th November

Year 8 Boys Football Havant Federation

TPS 3-0 Crookhorn

TPS 0-3 HTC

Year 7 Boys West Sussex West League

TPS 5-1 Bishop Luffa

What a performance! Despite going 1-0 down very early on in the game, TPS controlled the game in tricky conditions. Goals from Sam, Noah, Mason and George set TPS on their way to an emphatic win.

The maturity and composure on the ball from this team was excellent and great to see. We look forward to seeing them back in action again on Thursday.

Year 9 Rugby County Cup

TPS vs Cams Hill

Wednesday 11th November

Year 7 Girls Football

TPS 9-0 Chichester High School

The Year 7 girls had their first league football match in the Chichester Federation. They played Chichester High School on Wednesday and won 9-0. An outstanding performance from all of them, especially with no subs, they all worked 100% throughout. This makes us top of the league and looking forward to our next game!

Year 10 Football West Sussex West League

TPS 1-0 Midhurst Rother College

This was an exceptionally professional performance from TPS. After losing this fixture 4-2 last year, TPS started brightly with the majority of possession. Against the run of play, Bobby pulled off two excellent saves, one topping the ball onto the crossbar whilst diving to his right. Then 10 minutes later a similar save diving to his left and tipping the ball over the crossbar this time.

TPS continued to work hard off the ball and were careful on it, a couple of injuries saw a slight change in shape in the second half but a good header from a corner from Jayden was enough to make the difference. The boys go again against Chichester High School next Thursday.

Year 8 and 9 Girls Netball

TPS vs MRC Year 8

The Year 8 girls entered this game with great energy and did well to maintain it throughout the match especially as for some, this was their first game of the season. They worked well to get the ball down the court and were mainly in the attacking third. Unfortunately the ball was stubborn and they couldn't convert their shots. At the other end the girls grew into the game defending more aggressively and began to make some excellent interceptions.

The final score was 7-12 to MRC but well done to all the girls who played despite the cold.

TPS vs MRC Year 9

Similar picture for the Year 9 girls as for most, it was their first game of the season and even their first ever game for TPS. The game took the first quarter to warm up with both teams entering their attacking third regularly. TPS took an early lead and some excellent defending meant that going into the fourth quarter the game was tied 4-4. Unfortunately TPS couldn't convert their shots and the game finished 8-4 to MRC. Well done to those girls who played their first match and played out of position. On to the league games next week.

Year 8 Rugby Hampshire Festival

Thursday 12th November

Year 7 Football Havant Fed League

TPS vs HTC A

TPS vs HTC B

TPS vs Crookhorn

Year 11 Handball Southern Counties Qualifiers

TPS 7-6 Downlands

TPS 4-10 Bohunt Worthing

TPS 4-7 Tanbridge House

Well done to our Year 9 and 10 boys who played against Year 11's in the Southern Counties Qualifiers. Already progressing to the super six in the Hampshire division, TPS travelled to the Sussex division for some more game time. The boys did exceptionally well in their first game beating Downlands before some really close games against Tanbridge House and Bohunt Worthing where all 15 boys had a significant role to play.

Year 7 Rugby West Sussex West League

TPS vs Chi High

We uncovered a Team TPS archive of old photos and press cuttings and we would like to share some of these wonderful memories with you .

This week: New CCF Unit at TPS announced by Sir Michael Fallon

In 2017 Defence Secretary, Sir Michael Fallon, announced the approval of 31 new cadet units in state schools, including here at TPS.

Speaking at the Albion Academy in Manchester, itself a school which has a Cadet Force, Sir Michael announced the new cadet units which were part of the Government's commitment to increase the number of cadet units through the Cadet Expansion Programme.

ERA Week 27: Monday 28 June to Friday 2 July 2027

Enrichment is an important part of life at Team TPS and every year we offer a week of enrichment experiences. We are excited to share with you the **ERA Week 27 Brochure**

During ERA Week, students in Years 7 to 10 will enjoy activities and trips that bring our **Enjoy, Respect, Achieve** values to life. These experiences support learning, wellbeing and personal development. They also help students build confidence, try something new and make lasting memories. We want every student to feel welcome and able to take part and there are spaces for every child to have at least one off school site experience.

Please read the information in this brochure and talk through the options with your child. This will help them choose the trips that interest them most.

We want every student to have the opportunity to join in, so if cost may prevent your child from taking part, please contact the relevant trip organiser or the Progress Leader for your child's year group. These conversations will be handled sensitively, and we will discuss what support may be available.

We are looking forward to an exciting and inspiring **ERA Week 27 for every student**.

CHARITY Fundraiser

in memory of

Rob Newton

28th NOVEMBER 2026

7 - 11pm

VENUE:
The Studio,
