Welcome from Mr Holbrook

Assistant Headteacher

TPS OPEN MORNING

Saturday 20 September 2025

9.00am - 1.00pm

No need to book

At TPS, excitement is building ahead of our annual Open Morning, taking place next Saturday 20 September from 9am-1pm.

Every year this is a fantastic event that showcases everything that makes TPS so special: the excellent work taking place in classrooms, the sports clubs, musical performances, trips, technology, teachers, #TeamTPS spirit, and much more.

The most important aspect of every Open Morning is, of course, our students. We are so proud of the 500 or so students who, every year, come along to be part of the event and support our visiting families. If your son/daughter is keen to help on Open Morning, please encourage them to speak to a member of staff - the more the merrier! All student volunteers will receive a free fish and chip lunch as well.

Furthermore, please do spread the word amongst anyone you know who is considering secondary school places at this time, and please do come along if you are in this position yourself.

Thank you for all your support in making Open Morning 2025 the best ever, and we look forward to seeing you next Saturday!

Don't forget the 12pm early finish on
Friday 19 September for Open Morning preparation

Communications & Reminders

enjoy respect achieve

22,585 ERAs for the whole school this week!

free shop
Petersfield

Free School Uniform

The Petersfield Free Shop will hold a uniform-only session on Sunday 14 September from 10:30am to 12pm. All items are free and everyone is welcome to take what they need. The Free Shop is located in The Hub, next to Petersfield train station.

Each week we will be reading and debating a current news story so that students are more informed about the issues shaping our society. This is about more than just reading the news: it's about giving our students the opportunity to become more knowledgeable and articulate citizens.

We are sharing our TPS Talks news story via TPS Weekly to allow everyone to carry on the conversation at home and around the dinner table.

Together we're preparing our students not just to pass exams but to lead, question and contribute to the world around them.

For this week's TPS Talks news story, please click on the link: [TPS-Talks-Week-2-12.9.25](#)

'Money, mayhem and a resignation'

This week in TPS Talks we have been discussing and debating whether underpaying tax is as bad as theft. Students read a news article about the resignation of Britain's deputy prime minister Angela Raynor following the scandal of her underpaying stamp duty on her seaside flat. We then discussed the issue of tax avoidance.

TPS DAILY EQUIPMENT

Each day TPS students are expected to bring in a basic set of equipment to help them tackle every lesson.

TPS Scuba Diving Academy

We are excited to announce that the TPS Diving Academy will be running again this year in partnership with Sunken Dreams Scuba Diving Academy. The club offers opportunities for new and experienced divers to gain qualifications and take part in exciting diving adventures throughout the year in the UK and abroad.

Full details including dates, times, prices and sign-up details can be found here: [TPS Scuba Diving Academy 2025 Parent Letter.docx](#)

If you are new to diving and would like to give it a go first then come along and meet the dive team at this year's TPS Open Morning on Saturday 20 September. You will be able to 'try dive' for free in the pop-up shark tank outside the Gym.

Dear parent/carers

Your child's annual Nasal Flu Vaccination is now due. The vaccine helps protect against flu, which can be a serious or life-threatening illness.

Click the link below for the electronic form and information about the vaccine. You will need to input the School Code below to complete the form. Access to the form will close two working days prior to the session.

School Code: **SH136903**

Session date: 14th and 15th October 2025

Year Group: 7-11

Link to website: [Annual Nasal Flu Vaccination Programme - Hampshire - Parents: Health for Kids](#)

The nasal flu vaccine contains products derived from pigs (porcine gelatine). To opt for the porcine gelatine free inactive flu injection, select NO to the nasal flu immunisation and you will be given further options. More information for parents is available from www.nhs.uk/child-flu.

Alternatively, if you decide you **do not** wish your child to receive the vaccine against flu, please complete the form to record your decision. This will enable us to update your child's immunisation record.

From the NHS School Age Immunisation Service

Year 7

YEAR 7 INFORMATION

EVENING

Wednesday 24 September 5-8pm in the Studio

Your key speaker will be Mr Marande and Mr Lown.

The talk will be covering important information and topic discussions surrounding the various elements students will come across in Year 7. There will also be an opportunity to meet your child's tutor - more details to follow.

To book your place, please click on the link below for your preferred time slot:

5pm – ticketsource.co.uk/thestudiotps 5pm

5:45pm – ticketsource.co.uk/thestudiotps 5.45pm

6.30pm – ticketsource.co.uk/thestudiotps 6.30pm

7.15pm – ticketsource.co.uk/thestudiotps 7.15pm

iPad Collection

We are pleased to announce that the iPads will be arriving in school shortly.

Please see below the following dates for collection.

If the iPad was purchased through the school scheme before 17th July then collection will be available from the main reception during the Year 7 Information evening on the 24th September, 5.30pm - 8pm.

If you elected to provide your own device (Bring your Own Device - BYOD) this will need to have the Mobile Device Management software installed (MDM). This will require the iPad to be brought into the school and taken to the IT technicians on the below days based on tutor group.

These must be brought to the technicians during tutor time on the corresponding days. Please ensure all BYOD iPads are factory reset and are on the 'choose language' screen. If the device is already setup we will not be able to install the MDM.

Teachers will expect all students to have their iPad on Monday 29th September ready for lessons.

If you still need to order an iPad from the school scheme, the portal has now reopened and will remain so until the 12th Sept. (iPads ordered now will not be delivered until late Oct.)

All Year 7 Parents and Carers received their log-in code for ClassCharts on 4th September. Please contact the school reception team if you have not received this or have any further questions.

Students will receive their log-in code during their next IT lesson.

TPS Snowsports 2026

Friday 27th March to Saturday 4 April 2026.

A number of places have become available on the 2026 Snowsport tour.

[Tour Details](#)

9-day snow sports tour (6 days on snow) to the resort of Lungau, which is situated in the most snow sure valley in the Austrian Alps.

The cost of the 9-day tour is **£1650.00** The final deadline for payment is January 2026.

If you would like more information or to express an interest intaking a place, please email either.

Ten top tips for STRONGER PASSWORDS

Passwords continue to be the most common way to prove our identity online. A combination of a username and a password known only to the user provides access to our online accounts and data – and hopefully keeps unauthorised individuals out. As a security measure, though, passwords are relatively weak. People are often predictable in how we choose our passwords, for example – making them less secure. With increasing volumes of usernames and passwords being leaked online, what can we do to keep our data more secure? Here are our top tips for stronger passwords.

BE UNPREDICTABLE

We often choose passwords which are easy to remember: featuring the name of our favourite sports team or favourite film, for instance. Those are predictable passwords. Cyber criminals will routinely try various combinations of passwords relating to sports teams, actors, musical artists and the like – and they often focus on these during major sporting events or around high-profile movie releases.

AVOID GETTING PERSONAL

Many of us use passwords relating to our family, such as children's names or favoured holiday destinations. The problem here is that we also typically post about our holidays and our family on social media – making that information potentially visible to cyber criminals and supplying them with clues which could help them in narrowing down possible passwords we might have set.

NEW PLATFORM, NEW PASSWORD

Where cyber criminals gain access to an online service through a data breach, they often use the data they've stolen to try and access the victim's other accounts. This is because the criminals know that, for convenience, people often use the same password across different services. When we reuse passwords, our security is only as strong as the weakest site where we've used it.

LONGER IS STRONGER

Our passwords are often stored by online services in an encrypted format, in case the service suffers a data breach. The strength of this encryption, however, is dependent on the length of the password you've selected. If your password is only a short one, cyber criminals are significantly more likely to be able to break the encryption and identify your password.

CHECK SOCIAL MEDIA VISIBILITY

Staying up to date with friends and relatives on social media is part of everyday life now. We need to ensure, though, that we limit who can see our posts via each platform's privacy settings. It's also wise to consider what we're posting and if it's really safe to share online. If we restrict what cyber criminals can see, we reduce the chance of them using that information to identify our passwords.

'DOUBLE LOCK' YOUR DATA

It's possible that cyber criminals may eventually discover your username and password. Enabling multi-factor authentication (MFA) on your accounts, however, reduces the chance of them obtaining access to your data, as they'd also require a code which is provided via an app, SMS message or email. MFA isn't infallible, but it does definitely provide extra protection and security.

DELETE UNUSED ACCOUNTS

Data breaches occur when cyber criminals gain access to an online service and all the data contained within it – including usernames and passwords. Whenever you stop using a service, it's wise to make sure that you delete your entire account and not just the actual app. If the service no longer has your data, there's zero risk of it being leaked should they suffer a data breach in the future.

TRY PASSWORD MANAGERS

Even though most of us have numerous online accounts to manage these days, it's advantageous to avoid password re-use. Specialist password management software (like Dashlane or OnePassword, among others) can help by storing a different password for every online service that you have an account with: the only one you or child will need to remember is the single master password.

GET CREATIVE

The British government's National Cyber Security Centre (NCSC) recommends the 'three random words' technique. This method helps you create a password which is unique, complex and long – yet which is memorable enough to stay in your mind ('FourBlueShoes', for example). The NCSC website, incidentally, also offers plenty of other useful information relating to personal cyber security.

STAY VIGILANT

The best way to protect your accounts and your data is to be vigilant and careful. If you receive an email or text message that's unusual or unexpected, treat it as suspicious until you're able to verify whether it's genuine and safe. Starting from a position of vigilance and caution will reduce the likelihood of you or your child being tricked by a malicious email, text or phone call.

Meet Our Expert

A Certified Information Systems Security Professional (CISSP), Gary Henderson is the Director of IT at a large boarding school in the UK, having previously taught in schools and colleges in Britain and the Middle East. With a particular interest in digital citizenship and cyber security, he believes it is essential that we become more aware of the risks around technology, as well as the benefits.

Tuesday 9th Sept

Thornden vs TPS Rugby Year 10

The year 10 team opened their season with a friendly vs Thornden. A competitive first half with tries from Adam S and an outstanding solo effort from James N saw the teams go into the break 14-14. Injuries and fatigue saw us fall away in the second half finishing 34-14 to Thornden. An excellent foundation for us to build our season on!

MOTM: Daniel M & Luis C

Wednesday 10th Sept

TPS vs Winchester College Year 9 Football

8-2 National Cup Round 1

Congratulations to the year 9 boys football team who got their season off to a fantastic start with an 8-2 win. Despite going 1-0 down TPS bounced back quicky and saw an equaliser from Fraser shortly after from a free kick. The boys continued to push and saw goals from Thomas make it 3-1 at half time. The boys continued to battle in challenging weather conditions and the goals started to flurry after the fourth from Fraser went in. Sami, Max, and Louie completed the goal scorers list for the day.

A special mention to Fraser for scoring a Hat-Trick. They now face Toynbee in the next round at home on 2nd October.

Thursday 11th Sept

Year 11 Netball

Well done to our Year 11 girls who played their first friendly netball match of the season. Despite not playing together since year 10, they worked really well as a team. The match was really close, and the girls put in a fight but sadly didn't come away with a win and finished 9-13 to Ditcham Park. A special well done to Jess and Anna who got player of the match. We are looking forward to Monday for their first Havant League game!

Year 9 Rugby vs Liphook

The year 9 team started their season at home vs Bohunt Liphook. The boys demonstrated some excellent hands and attacking shape to put a few tries on the board but unfortunately, a well

drilled and sizeable Bohunt side went away the victors. We go again next week vs Oaklands on Monday!

Congratulations to James O in Year 11 who played in the FA Youth Cup for Petersfield U18's last week.

Raise an easy £100 for your PTA

It's peak-time for holiday bookings, and when a getaway is booked with TUI this month, it could raise your PTA a £100 donation, thanks to TUI and [easyfundraising](#)!

TUI's Classroom Commitment

Only available **until 31st March**, and exclusive to schools and PTAs, **every holiday booked with TUI via easyfundraising by a supporter of your PTA will raise a £100 donation***!

While most retailers on the easyfundraising platform offer a percentage of spend back as a donation, as part of their and TUI's commitment to supporting education causes this month, all bookings made with TUI in March will raise £100 for your PTA total regardless of how much is spent!

How you can support us for free

Download the easyfundraising app

Sign up as our supporter

Once registered, we'll get a £2 donation!

To help support The Petersfield School Appeal Trust, we encourage parents and friends of the school to sign up to [#easyfundraising](https://www.easyfundraising.org.uk/causes/pfieldsat)

The good news is if you register via their app this week, TPS will automatically receive £2. The even better news is that if more than 10 people register, further bonus funding will be un-locked!

Get the app now and once installed, choose to support The Petersfield School Appeal Trust:
www.easyfundraising.org.uk/causes/pfieldsat
