## Welcome from some of our new Teachers

---

### **Meet Our New Art & Photography Teacher – Ella Breslin**

I am excited to have joined TPS this year as an Art and Photography teacher. I have felt really welcomed by both staff and students, and I'm enjoying getting to know the school community. I am passionate about helping students explore their creativity, and I am looking forward to a great year ahead!

### **Meet Our New Science Teacher - Alice Austin-Lee**

I am a new science teacher at TPS. I have only been at TPS for about a month now and I am loving every second - the students are amazing, and the ethos of the school is something that I am proud to represent. I look forward to many more years of teaching science here!

### **Meet Our New Science Teacher - Nuha Babar**

I am new to TPS as a science teacher. I have really enjoyed my time here so far and the students and staff have been very welcoming. I am looking forward to continuing my journey at TPS.

Congratulations to our PE Department who raised a massive £2,587.50 for Children in Need!

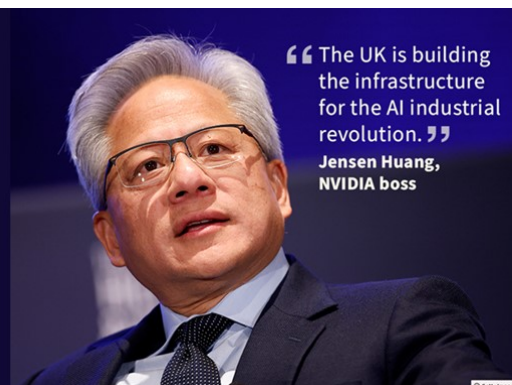

Each week we will be reading and debating a current news story so that students are more informed about the issues shaping our society. This is about more than just reading the news: it's about giving our students the opportunity to become more knowledgeable and articulate citizens.

We are sharing our TPS Talks news story via TPS Weekly to allow everyone to carry on the conversation at home and around the dinner table.

Together we're preparing our students not just to pass exams but to lead, question and contribute to the world around them.

## Is AI inevitable in our society?

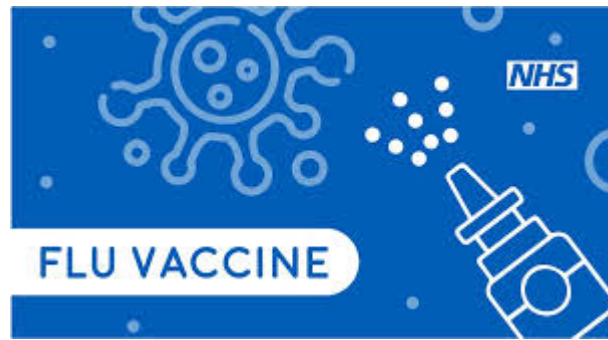

This week's TPS Talks article has had us discussing the UK's new multi-billion pound deal with the US relating to AI. This topic has led to interesting debates around whether growing AI is inevitable in our society and has allowed us to discuss possible fear-mongering that surrounds AI.

## TPS Scuba Diving Academy

We are excited to announce that the TPS Diving Academy will be running again this year in partnership with Sunken Dreams Scuba Diving Academy. The club offers opportunities for new and experienced divers to gain qualifications and take part in exciting diving adventures throughout the year in the UK and abroad.

Dear parent/carers

**Your child's annual Nasal Flu Vaccination is now due.** The vaccine helps protect against flu, which can be a serious or life-threatening illness.

**Click the link below for the electronic form and information about the vaccine. You will need to input the School Code below to complete the form. Access to the form will close two working days prior to the session.**

School Code: **SH136903**

Session date: 14th and 15th October 2025

Year Group: 7-11

Link to website: [Annual Nasal Flu Vaccination Programme - Hampshire - Parents: Health for Kids](#)

The nasal flu vaccine contains products derived from pigs (porcine gelatine). To opt for the porcine gelatine free inactive flu injection, select NO to the nasal flu immunisation and you will be given further options. More information for parents is available from [www.nhs.uk/child-flu](http://www.nhs.uk/child-flu).

Alternatively, if you decide you **do not** wish your child to receive the vaccine against flu, please complete the form to record your decision. This will enable us to update your child's immunisation record.

# What Parents & Carers Need to Know about — SHARING PHOTOS ONLINE

## WHAT ARE THE RISKS?

School is often a time chock-full of milestones for your child, and you may well be eager to share their accomplishments with the world. In today's digital age, sharing images of such precious moments on social media is commonplace, and – while that's a lovely thing to do – it does come with some risks attached. Our guide can help parents and carers to consider the potential dangers and make informed choices about safely sharing photos of their children online.

## INVASIONS OF PRIVACY

Even with the right settings in place, absolutely nothing online is 100% private. Anyone who can view your photos could take screenshots and potentially share them elsewhere. Privacy settings are still important, though, so it's always wise to ensure your social media accounts have them set up; just bear in mind that you can't completely control what happens to anything once it's gone online.

## REVEALING PERSONAL DETAILS

Small details in photos can often reveal personal information. Backgrounds can give clues to where you live, for example, while school logos on uniforms, sports kits, or bags could help someone identify which school your child attends. With interactive maps and reverse image searches commonplace online, information like this could easily be misused by an individual with malicious intentions.

## MISUSE OF IMAGES

Once something's been shared online, it's almost impossible to get it deleted. Photos can show up in search engine results and be downloaded, manipulated, and shared without consent. There's the potential for someone's images to be used for advertising purposes (which in many cases, isn't illegal) or even more inappropriate reasons, such as cyber-bullying or serious forms of exploitation.

## ONLINE GROOMING

Pictures that convey details about your child's interests, activities, or daily routines could arm an online predator with the kind of information they can deploy to gain a child's trust. They might use this knowledge to pretend to be the same age as the child or to have a shared hobby. Essentially, the more a predator knows about a young person, the easier it is for them to invent some 'common ground'.

## PRESSURE TO PLEASE

When their parents or carers share notable moments and accomplishments in a child's life on social media, some children may begin to feel an expectation to always meet certain standards, to achieve things, or to behave in ways that are "worth sharing". Knowing that other people (even friends and family) can see these posts on social media might also add to the pressure they're feeling internally.

## IMPACT ON DIGITAL FOOTPRINT

Every photo of a child posted online contributes to their digital footprint. Young people's lives have never been so closely and publicly documented as they are now, and this permanent online presence could affect a child's future opportunities or the choices they make as they grow up – in addition to influencing how they see themselves and, consequently, their emotional wellbeing.

## Advice for Parents & Carers

### REVIEW SETTINGS REGULARLY

Make sure your social media's secure in terms of who can view your content or see your location (only family and trusted friends, for example). Privacy settings aren't totally foolproof, but they do make it tougher for strangers to access your pics. Reviewing your settings regularly is also a good starting point for conversations with your child about managing their own social accounts when they're older.

### CONSIDER OTHER CHILDREN

When taking a group photo, make sure you get parents' or carers' permission to share it on social media. There may be an important safeguarding reason for them not wanting their child's photo posted publicly online, or it might simply not tally with their personal beliefs or cultural background. A quick conversation in advance, just to make sure, is usually hugely appreciated.

### CHECK YOUR PHOTOS

Photos of your child shouldn't provide any clues to where they live or go to school: even a house number, street name, or car number plate could be a giveaway. Cover up or blur out school logos, too. If you really want to share a particular pic, you could post a watermarked or low-res version, which can help to discourage misuse as those images are less appealing to download or reproduce.

### THINK AHEAD

Try to consider the longer-term implications of what you post. Would you be happy with that photo being online in 10 years' time? Would your child still be OK with the image when they're older? Once your child is mature enough, you could ask for their consent before posting: it respects their privacy, fosters trust and understanding, and helps them to start thinking about their own online life.

### Monday 15th Sept

Year 7 Rugby at Perins

TPS 7-0 Perins (Friendly)

The Year 7 rugby team made a memorable debut as they travelled to Alresford for their first-ever fixture representing TPS. Despite having had just a single training session together, the boys played with the cohesion and confidence of a seasoned side.

From the first whistle, their intent was clear. Tackles were thunderous, handling was sharp, and with powerful running lines through the middle and electric pace out wide, the tries flowed freely. It was an impressive display of teamwork, determination, and raw talent.

The standout moment of the match came from a moment of brilliance and vision. Spotting space out wide, Bram executed a perfectly weighted cross-field kick. Lucas, timing his run to perfection, collected the ball in full stride and raced over the line to score a sensational try, a move that wouldn't look out of place at Twickenham.

Every player contributed to the performance, making their mark on what was a fantastic team effort. A huge well done to all involved, the future looks incredibly bright for this promising squad!

**Monday 22nd Sept**

Year 10 Girls Football vs Ormiston Six Villages (National Cup Round 1)

TPS 13 - 6 Ormiston

Year 11 Girls Netball vs Crookhorn (Havant Fed)

Lost 6-8

Well done to our year 11s for playing their third week of the netball matches at Crookhorn. They have been playing really well, especially this week winning 18-0. Although they lost their second match they put in so much effort and probably have played their best game so far.

**Tuesday 23rd Sept**

Year 8 Boys Football vs Saint Georges Catholic School (County Cup Round 1)

After an excellent start to the season beating Wildern the Year 8's looked to get their County Cup run off to a good start and they began well. Scoring from a fantastic Digby free kick to make it 1-0 to TPS. The lead only lasted a short time before Saint Georges got the game level again. A challenging second half that saw the majority of chances go to the opposition saw a run against play and a long range half volley from Joel looped the keeper to make it 2-1. Unfortunately TPS couldn't hold out and conceded 5 minutes from time to take the game into penalties. The dreaded shootout reared its head again with TPS missing 2 of theirs and Saint Georges going through to the next round 4-3 winners. The boys face the same opposition in the National Cup on 7th October to try and book their place into round 3.

#### U13 Girls Hockey vs Liphook (Friendly)

TPS 2-9 Liphook

Hockey returned for a new season with the U13 girls visiting Bohunt Liphook. The team is a newly formed one and for a number of the girls it was their first time on a hockey pitch, This showed in the first quarter with some nervy passes and a lack of confidence when carrying the ball and tackling. However this soon changed and with every quarter their confidence grew and their talent began to show through. By the end of the game two goals were scored, gritty tackles made and lots of link up play meant the girls came off the pitch smiling and determined to keep making progress against St Edmunds next Wednesday. But first there is time for another training session on Tuesday after school and the girls would welcome more students (girls and boys) to attend.

Well done to Lottie who came away with POM and to all the girls who stepped up to play their first ever game of hockey.

#### Year 8A Girls Netball vs Swanmore

TPS 8 vs 4 Swanmore

**Wednesday 24th Sept**

## Year 11 Boys Football vs Midhurst Rother College (Chichester Fed)

### TPS 7-1 MRC

A mature and excellent performance from the TPS year 11 football team that take their winning streak to 3 games in a row. Goals from James, Seb, Lucas, Lewie and a stunner from Ethan sealed the win to put TPS second in the league table only by goal difference to Bishop Luffa. The year 11's have got a fantastic week to look forward to with 3 games including the National Cup, County Cup and League. 3 more wins could set up a really exciting season for the boys.

## Year 11 Girls Football vs Bishop Luffa (Chichester Fed)

### TPS 2-4 Bishop Luffa

## Year 8B Girls Netball vs Perins (Cup)

### TPS 4-10 Perins

The girls were excited to kick off their season with a cup game against Perins. The game started at a fast pace with a number of interceptions and circle entries. Unfortunately for TPS it was Perin's shooters who started the hotter taking a 3-0 lead into the second quarter. But the TPS girls were fired up now and quickly leveled the scores at half time through some good movement throughout the court and some excellent defending.

In the third quarter Perins came back again and then pulled away in the fourth quarter. Despite our many circle entries and shots on target, it was the Perin's shooters who were just able to convert more of their shots on the day. The TPS girls worked hard throughout the match and never gave up, even quoting "we can still score 7 more in 2 minutes, come on girls", they also listened well to feedback and were able to demonstrate this on the court.

Well done to Emilia who received attacking POM and Nicole who received defending POM.
