Welcome from Mrs Calverd Teacher of Maths

It is a pleasure to introduce myself as part of this week's newsletter. I joined the school in September as a Maths teacher, and I am delighted to now be part of such a vibrant and welcoming community. I have been teaching since 2007 and have had the opportunity to teach Maths in the UK, Switzerland,

and Malaysia. Each experience has been unique and has deepened my enthusiasm for both the subject and for teaching.

Some of you may know me already, as I have previously been involved as a parent governor. That role gave me a unique insight into the school's values and vision, and I am thrilled to now contribute from within the classroom.

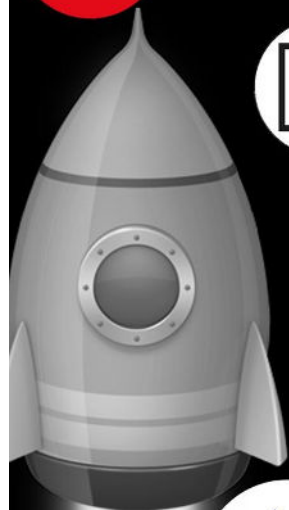

It is a real family affair for us—my husband, Mr Calverd, is part of the Science department, and our three children are all enjoying life at the school. We are very happy to be here and look forward to the year ahead!

Paid Opportunity - Host Families Wanted for UK-China Cultural Exchange Programme!

We are excited to announce that The Petersfield School will be hosting a group of 20 students from Elite Journey as part of an enriching UK-China Cultural Exchange Programme. The students, aged 11-16, will be visiting TPS for two weeks to experience British culture and enhance their language skills.

We are now looking for host families within the TPS community who can open their homes and offer a warm, supportive environment for these visiting students during their stay from 1– 14 February 2026.

Found! Treatment for 'cruellest' disease

Could we end illness?

This week's news article focuses on scientific advancements in slowing down Huntington's disease and asks us to consider what the implications of a "disease-free future" could be.

Dear parent/carer

Your child's annual Nasal Flu Vaccination is now due. The vaccine helps protect against flu, which can be a serious or life-threatening illness.

Click the link below for the electronic form and information about the vaccine. You will need to input the School Code below to complete the form. Access to the form will close two working days prior to the session.

School Code: **SH136903**

Session date: 14th and 15th October 2025

Year Group: 7-11

Link to website: [Annual Nasal Flu Vaccination Programme - Hampshire - Parents: Health for Kids](#)

The nasal flu vaccine contains products derived from pigs (porcine gelatine). To opt for the porcine gelatine free inactive flu injection, select NO to the nasal flu immunisation and you will be given further options. More information for parents is available from www.nhs.uk/child-flu.

Alternatively, if you decide you **do not** wish your child to receive the vaccine against flu, please complete the form to record your decision. This will enable us to update your child's immunisation record.

From the NHS School Age Immunisation Service

Counselling at TPS

Counselling at TPS - We would like to inform you that at TPS we are able to offer families the chance to book subsidised child counselling spaces, providing families a more cost-effective option than at a private practice.

Counselling can be useful for anxiety, depression, loss/separation, bereavement, low self-esteem, difficult relationships, questions around identity, and many other things.

These sessions can be held at TPS and are available to any of our students. If you are interested, please do make contact with your child's Year Progress Leader:

Year 7 Mr D Lown

Year 8 Miss A Snook

Year 9 Mr M Jennings

TPS Family Support

Delivered by Mrs Amanda Marshall

5 weekly sessions, starting on Tuesday 20 January 2026 4.30-6.00pm

The Petersfield School

Meet in Reception, refreshments available

Week 1: Introduction to the course and Expectations and Boundaries

Week 2: Risky Behaviour

Week 3: Accidental Rewards

Week 4: Dealing with Conflict

Week 5: Building Positive Relationships

"Mrs Marshall was very informative - lots of things I didn't know that were helpful"

"I already have been implementing the information I learnt with success"

"Alongside all the information she had built up over her career it was also great to hear Mrs Marshall's experiences as a parent and grandparent"

Confidentiality assured

YEAR 7 CAT TESTS

Next week Year 7 pupils will be doing CAT tests during some of their lessons.

There is nothing to prepare for and whilst they should try their best and take them seriously, they should not worry about them.

The results are used alongside their KS2 scores to help ensure accuracy when their target grades are generated.

Sailing Residential 2026

We are pleased to let you know about an exciting opportunity for students to participate in a residential sailing experience in the spring/summer of 2026. For the last three years we have worked with the Ocean Youth Trust South, a charity that offers multi-day residential sailing voyages around the South Coast of England. Each voyage is designed to develop confidence, teamwork, the ability to cope with unfamiliar situations, and tolerance and understanding of others. More information about the Ocean Youth Trust can be found here: <https://www.oytsouth.org/>

EUROPEAN DAY OF LANGUAGES BAKE-OFF

READY, STEADY, BAKE!

**CELEBRATE THE
FLAVOURS
OF EUROPE!**

Let's celebrate linguistic diversity
through food- From French éclairs
to Greek baklava, Polish paczki to
Italian cannoli!

The cakes will be judged by the MFL team, and you could win in one of 3 categories:

- Best decorating
- Best European cake made from a traditional recipe (make sure you have the recipe with your photo)
- Best European theme

There is no need to bring your cake into school- please send a picture of the cake and your recipe to cwalters@petersfieldschool.com no later than Monday 6th October.

Judging will take place on Wednesday 8th October.

Year 10 Assessments

Year 10 will be completing assessments in the majority of their subjects between the **13 – 24 October**. These will be an important opportunity for students to demonstrate their current levels of understanding across the curriculum and receive feedback on how to improve further. The assessments for **English, Maths, Science, Humanities, and MFL writing** will take place in formal exam conditions in the Sports Hall **Tuesday 21 October - Friday 24 October** to help build confidence in working this way before their final exams in Year 11. Students will be given a personal timetable, confirming exam room and seat number, in due course.

Health and Social care

Year 10 Health and Social Care students will be completing part one of their first controlled assessment on **Monday 21 October**. Students will be off timetable all day. The second part of this assessment is due to take place on **Monday 1 December**.

Please see below timetable (Insert timetable shared as attachment)

Innervate Post-16 Pathways Webinar - Wednesday 8 October, 6pm-7pm

Choosing what to do after Year 11 can feel overwhelming, with so many different routes now available.

This webinar will guide parents and students through the full range of post-16 options, including A Levels, apprenticeships, T Levels, BTECs, and other vocational pathways.

We'll explain how technical education is changing, what this means for young people, and how parents can best support their child to make confident, informed decisions about the future.

E-Safety

WHAT ARE THE RISKS?

Scammers often use deception to obtain personal and financial information from their target. They might pose as legitimate organisations, such as pretending to be HMRC and threatening legal action for unpaid tax unless the victim provides their National Insurance number. Their efforts have been getting more convincing recently, so be mindful of any unexpected or unusual emails.

Criminals can manipulate someone into providing personal data, then use it to assume their identity online and commit fraud, make unauthorised purchases or engage in other illegal activities. Identity theft can be accomplished by tricking victims into downloading malware that scans their device for information; by figuring out passwords to social media accounts; or through phishing scams.

Fraudsters might lure victims into offering their hard-earned cash for a one-of-a-kind investment opportunity, promising high returns or quick profits – such as the many cryptocurrency scams currently circulating online. Some unscrupulous influencers have even used their status to tempt their followers into paying for courses which promise to help them become rich and more attractive.

Many online sellers use false or misleading advertising to persuade consumers to spend money or supply personal information. Certain websites, for instance, have become notorious for using attractive images to advertise their products, promising to deliver an item for a fraction of its usual price – only for a cheaper-looking, poor-quality reproduction to arrive in the post instead.

Scammers use social media to manipulate or deceive victims, often by posing as a popular influencer and exploiting their audience – such as posting a link to a ‘giveaway’ which actually siphons money or personal data to whoever is behind this false identity. This type of scammer commonly impersonates influencers with a younger fan-base, as children tend to make more naïve targets.

Talk to your child about the risks of online financial scams and encourage open communication about their digital activities. Make sure they know the kind of ruses that are out there, and what to look out for when encountering a potential scam. Foster their critical thinking skills – and emphasise that if something they see on the internet seems too good to be true, then it probably is.

Almost all devices that children typically use to access the internet have built-in safeguards like parental controls and monitoring tools. Stay aware of the options available to you, and make use of them to shield your child from possible exploitation as best as you can. This, combined with common sense and critical thinking, should go a long way towards keeping them safe.

Try to keep your knowledge of current and emerging scams in the digital world up-to-date, so you can help your child stay safe. New methods of exploitation are developing all the time, but thankfully it's not all doom and gloom. There are plenty of sources – such as Ofcom – that keep a record of online scammers' methods, plus lists of which sites or schemes to be wary of.

Teach your child to value their own privacy: that is, to respect the value of their personal data and be cautious about sharing it online. It's especially important that children know to safeguard their financial details and other sensitive data – and never to provide that information to anyone online, unless they're absolutely certain that it's safe, secure and for a legitimate reason.

Encourage your child to report any suspicious or potentially harmful online encounters to you or another trusted adult. Make it clear that they will never get in trouble for telling you about what's happened. Fraudsters often attempt to play on children's fear of getting into trouble, so cancelling out that notion robs internet scammers of one of their greatest weapons.

Ross Savage has a proven track record in countering financial crime, having spent 13 years with UK law enforcement – specialising in money laundering investigations and asset recovery from organised criminal groups. He now holds senior visiting expert positions at various organisations and delivers customised training and consultancy to government and private-sector clients worldwide.

Monday 29 Sept

Year 11 Boys County Cup Round 1

TPS 1-4 Mountbatten

On Monday TPS year 11 team looked to keep their unbeaten start to the season going with the start of the County Cup fixtures. It was a repeat of last years draw against Mountbatten which saw the visitors win 7-1 on that occasion. The Year 11s started well and after some early pressure scored a fantastic team goal through Seb from just inside the box. Unfortunately the lead didn't last long and TPS were soon on level terms. Against a very strong opposition TPS struggled to stay level and Mountbatten soon gained the ascendancy with two more goals before finishing off the game as 4-1 winners. The boys showed great passion and work rate throughout the game and this season has already, despite the loss shown huge progressions from the last.

Year 9 Boys County Cup Round 1

TPS 3-2 Trafalgar

TPS began their quest for 3 games in 3 days where a place in the next round of the county cup was on the line as they travelled to Trafalgar. The boys put in an exemplary performance against a challenging opposition. Goals from Max, Louie and Thomas sealed the victory.

Year 11 Netball

TPS 10 - 2 Hayling College

Well done to our Year 11s for winning their match this week against Hayling College. This was one of their best matches that they have played and worked so well as a team. The defence worked so hard with Jess and Anna making some great interceptions to turn the ball around. There was great movement down the court working towards our shooters who were able to finish with a goal! From taking this team since Year 7, this was some of the best netball that I have seen and we are looking forward to the final weeks of the Havant League.

Tuesday 30 Sept

Year 7 Netball

TPS 3 - 32 Cams Hill

Our Year 7 girls participated in their first netball match at TPS. Even though they did not come away with a win, they played really well together and slowly the confidence was building as the match went on. We have many matches coming up so it will be great to see the team slowly form and the talent to continue to grow over the coming months.

Year 9 Boys Football (Chichester Federation League)

TPS 5-2 Bishop Luffa

Keen to continue their form from the previous day, TPS looked to bounce back from the defeat at Midhurst to take on Bishop Luffa in the league.

As a team we started slowly conceding two early goals from long range but this just spurred on the year 9's even more. The Midfield duo of Fraser and Finley were outstanding and started to dictate the play through the midfield. Thomas was the first on the score sheet to bring the game back to 2-1 after a cool finish 1vs1, Thomas then pulled the game level with a similar finish to make it 2-2. Finley then got the third and TPS were on a roll. Thomas rounded off his hat trick before Louie completed the scoring to make it 5-2 overall. A fantastic comeback showing true TPS resilience.

Year 11 Football vs Felpham (Chichester Federation League)

TPS 2-1 Felpham

With the boys looking at 3 games in a week, this was a big test to travel to one of the strongest sides in the league in order to maintain their unbeaten start. A much changed side from Mondays fixture started well and despite some early chance for both teams, the first half finished 0-0 with Lewie coming closest from distance striking the inside of the post.

At the start of the second half, TPS found themselves 1-0 down after a free kick was headed in from close range. Again TPS teams are not phased by starting on the back foot and 15mins from time Lewie brought the game level. Both teams battled hard and some fantastic saves were made by both goalkeepers but eventually Lewie got his second and sealed the victory for TPS. They now go into Fridays game against Wokingham in high spirits in the National Cup.
