Autumn Half Term Reminder

Monday 27 October - Tuesday 4 November 2025

All years back in school on Wednesday 5 November

NEXT WEEK!

🎉 **RAG Week 2025 is nearly here - and it's going to be epic!** 🎉

From Monday 20th to Friday 24th October, Team TPS Raise and Give invites students and staff to take part in a week of laughter, creativity, and community spirit—all in support of incredible charities, voted for by our students; Stroke Association, Cancer Research UK, Twins Trust, British Red Cross and Dementia UK. Expect everything from staff leg waxing to lip sync battles, plus daily cake sales under the Studio Canopy. Every pound raised helps make a real difference.

👕 **Wednesday is Non-Uniform Day**

Students are invited to swap their school uniform for appropriate non-school uniform attire. We would ask that:

Shoulders are covered

Tops/necklines no lower than the collarbone

No visible underwear

Shorts are mid-length

Logos/slogans must be suitable for school

💳 Donations can be made with cash, debit card (not lunch cards), or via ParentPay tokens cards. - Once paid for token cards are available to be collected at The Studio Box Office.

Let's come together, have fun, and show what TPS can do when we raise and give with heart. Thank you for your support!

Paid Opportunity - Host Families Wanted for UK-China Cultural Exchange Programme!

We are excited to announce that The Petersfield School will be hosting a group of 20 students from Elite Journey as part of an enriching UK-China Cultural Exchange Programme. The students, aged 11-16, will be visiting TPS for two weeks to experience British culture and enhance their language skills.

We are now looking for host families within the TPS community who can open their homes and offer a warm, supportive environment for these visiting students during their stay from 1– 14 February 2026.

Year 10 will be completing assessments in the majority of their subjects between the **13 – 24 October**. These will be an important opportunity for students to demonstrate their current levels of understanding across the curriculum and receive feedback on how to improve further. The assessments for **English, Maths, Science, Humanities, and MFL writing** will take place in formal exam conditions in the Sports Hall **Tuesday 21 October - Friday 24 October** to help build confidence in working this way before their final exams in Year 11. Students will be given a personal timetable, confirming exam room and seat number, in due course.

Health and Social care

Year 10 Health and Social Care students will be completing part one of their first controlled assessment on **Monday 21 October**. Students will be off timetable all day. The second part of this assessment is due to take place on **Monday 1 December**.

TPS - Spotlight

What a day to remember for the TPS Year 7 Girls Rugby Team!

The team had the extraordinary honour of stepping onto the hallowed turf of **Twickenham Stadium**, the iconic home of English rugby, for the **Continental Tyres x Love Rugby Festival**. Across five thrilling games, the girls showcased incredible growth, grit, and teamwork, sharpening their skills with every match played on one of the most legendary pitches in the sport.

Between games, the excitement soared even higher as they were treated to a behind-the-scenes tour of the changing rooms, guided by none other than **World Cup winners Abbie Ward, Tatianna Heard, and Rachel Burford**. Meeting these rugby legends was a truly inspiring moment that lit up the day with awe and admiration.

From the roar of the crowd to the camaraderie on the field, it was a phenomenal experience, **a once-in-a-lifetime opportunity** that will stay with these young athletes forever. TPS couldn't be prouder of their passion, progress, and the way they embraced the spirit of rugby at its very heart.

TPS has got some future stars in the making!

What Parents & Carers Need to Know about

YOUTUBE

YouTube is a video-sharing social media platform that allows billions of people around the world to watch, share and upload their own videos with a vast range of content – including sport, entertainment, education and lots more. It's a superb space for people to consume content that they're interested in. As a result, this astronomically popular platform has had a huge social impact: influencing online culture on a global scale and creating new celebrities.

INAPPROPRIATE CONTENT

YouTube is free and can be accessed via numerous devices, even without creating a YouTube account. Some content is flagged as 'age-restricted' (requiring the user to be logged into an account with a verified age of 18), but children can still view some mildly inappropriate material. This can include profanity and violence, which some young users may find upsetting.

CONNECT WITH STRANGERS

YouTube is a social media platform which allows people to interact with other (usually unknown) users. Account holders can leave comments on any video they have access to, as well as messaging other users directly. Connecting with strangers online, of course, can potentially lead to children being exposed to adult language, to cyberbullying and even to encountering online predators.

SUGGESTED CONTENT

YouTube recommends videos related to what the user has previously watched on their account, aiming to provide content that will interest them. This is intended to be helpful but can also lead to binge-watching and the risk of screen addiction, especially if 'auto-play' is activated. Users without an account are shown popular videos from the last 24 hours, which might not always be suitable for children.

HIGH VISIBILITY

Content creators can also be put at risk – especially young ones who try to make their online presence as visible as possible. Creating and uploading content exposes children to potential harassment and toxicity from the comments section, along with the possibility of direct messaging from strangers. Videos posted publicly can be watched by anyone in the world.

TRENDS AND CHALLENGES

YouTube is teeming with trends, challenges and memes that are fun to watch and join in with. Children often find these immensely entertaining and might want to try them out. Most challenges tend to be safe, but many others may harm children through either watching or copying. The painful 'salt and ice challenge', which can cause injuries very quickly, is just one of many such examples.

SNEAKY SCAMMERS

Popular YouTube channels regularly have scammers posing as a well-known influencer in the comments section, attempting to lure users into clicking on their phishing links. Scammers impersonate YouTubers by adopting their names and profile images, and sometimes offer cash gifts or 'get rich quick' schemes. Children may not realise that these users are not who they claim to be.

Advice for Parents & Carers

APPLY RESTRICTED MODE

Restricted Mode is an optional setting that prevents YouTube from showing inappropriate content (such as drug and alcohol abuse, graphic violence and sexual situations) to underage viewers. To prevent your child from chancing across age-inappropriate content on the platform, we would recommend enabling Restricted Mode on each device that your child uses to access YouTube.

18

CENSORED

TRY GOOGLE FAMILY

Creating a Google Family account allows you to monitor what your child is watching, uploading and sharing with other users. It will also display their recently watched videos, searches and recommended videos. In general, a Google Family account gives you an oversight of how your child is using sites like YouTube and helps you ensure they are only accessing appropriate content.

CHECK PRIVACY SETTINGS

YouTube gives users the option of uploading videos as 'private' or 'unlisted' – so they could be shared exclusively with family and friends, for example. Comments on videos can also be disabled and channels that your child is subscribed to can be hidden. If your child is only uploading videos that are protected as 'private', they are far less likely to receive direct messages from strangers.

CHECK OTHER PLATFORMS

Influential content creators usually have other social media accounts which they encourage their fans to follow. Having an open discussion about this with your child makes it easier to find out how else they might be following a particular creator online. It also opens up avenues for you to check out that creator's other channels to see what type of content your child is being exposed to.

MONITOR ENGAGEMENT

YouTube is the online viewing platform of choice for billions of people, many of them children. Younger children will watch different content to older ones, of course, and react to content differently. You may want to keep an eye on how your child interacts with content on YouTube – and, if applicable, with content creators – to understand the types of videos they are interested in.

LIMIT SPENDING

Although YouTube is free, it does offer some in-app purchases: users can rent and buy TV shows and movies to watch, for example. If you're not comfortable with your child purchasing content online, limit their access to your bank cards and online payment methods. Many parents have discovered to their cost that a child happily devouring a paid-for series quickly leads to an unexpected bill!

U19 Girls Handball

Jags 14 vs 21 Bishop Stortford

Jags 6 vs 29 Stroud

Handball season has started again and it was great to see so many current and Alumni TPS students playing in the Petersfield Jags U19 Handball Competition this weekend in Swindon. Despite the girls losing both their two games, the girls were up against two of the strongest teams in the country and fought so well. With the girls now getting their first games under their belt after the pre season training with more players coming back in to the next set of fixtures, the future of the girls team looks really promising.

If anyone is interested in getting involved with any of the handball teams at TPS or the Petersfield Jags, please email Dan Scutt at dscutt@petersfieldschool.com

Year 7 Boys Football

Friday 10th October

TPS vs Toynbee in Round 2 of The National Cup (TPS received a bye in round 1)

TPS 1 (4) - 1 (2) Toynbee

For the boys first game they worked exceptionally hard to get used to different players playing around them and for some of them trying to learn new positions. Toynbee took the lead following a good finish from their attacker but TPS responded quickly with a great free kick from Freddie to make it 1-1. Each team had their different moments of pressure in the game and a draw was a fair result. Some outstanding performances from the TPS back line in the second half made it difficult for Toynbee to score. As a result the game went to a dreaded penalty shootout. Again the TPS boys rose to the challenge and scored all 4 of their penalties. 2 saves from Tom in the TPS goal sealed the win for the home side.

The boys now wait to find out their opponent in round 3.

Monday 13th October

TPS vs Hounslow in Round 1 of the County Cup

TPS 3 - 1 Hounslow

A much changed side from the team that won on Friday travelled to Southampton to face Hounslow school in the County Cup. A game that had some early chances for both teams finished 0-0 at half time. TPS started the strongest after the break and were soon awarded a penalty to which Connor put away with great confidence. The lead didn't last long and in similar fashion to Friday, it was a long range freekick that levelled the scorelines but this time for the opposition. TPS continued to mount the pressure and their efforts were rewarded with a header from Riyaz after a corner was swung in by Freddie. Not happy with their one goal lead, TPS continued to threaten and sealed the win with a good finish from Connor under pressure from the defender just inside the box.

TPS march through to the next round of the County Cup and wait to find out their opponents.

Year 9 Girls Football vs Mountbatten

Year 11 Girls Netball

The Year 11 girls played exceptionally well as a team this week, winning both of their matches with impressive scores: 12-0 against Purbrook and 9-1 against HTC. This marks their second-to-last week in the Havant League, with just one match remaining next Monday against Cowplain. It's been fantastic to see the girls growing in confidence, developing strong on-court chemistry, and truly coming together as a team. Well done to all the girls on a great week!

Year 8 Boys Rugby @ Mountbatten

The Year 8 boys travelled to Mountbatten for their County Cup fixture. The boys started strongly, scoring first and showcasing outstanding handling to stretch Mountbatten from coast to coast. Mountbatten had some strong runners who carried well and replied with a try of their own. TPS led 2-1 at the end of the first half. The second half continued with an excellent battle between the sides. Injuries disrupted TPS' continuity but after falling 3-2 to Mountbatten, replied with a try close to the death to bring the scores level. The game finished 3-3 but with TPS scoring first, the win was awarded to us. The boys travel across the water to Ryde on Monday 17th November to secure a spot in the semi-final.

Tuesday 14th October

Cross Country Event

Year 8 Football @ Ormiston Six Villages Chichester Fed League

TPS 4-6 Ormiston

A challenging day for the TPS boys on a season that the team are struggling to find their normal flow of football. The boys found themselves one nil up thanks to a great strike from Jack. Unfortunately after this there was a lot of pressure on from the opposition which saw the home side equalise and then start to accelerate to a 4-1 lead. In true TPS spirit the boys didn't give up and continued to battle back. Joel scored to make it 4-2. The away side stretched their lead further to 5-2 before Wiktor scored twice to give TPS hope. A late Ormiston goal sealed the win and TPS look to re-group as they head to SPH next week.

Year 9 Boys Rugby vs Bourne

Wednesday 15th October

Year 9 Girls Netball @ Chichester Free School (Chichester Fed League)

Well done to the girls this week for playing a fantastic game of netball! Their excellent communication on court played a key role in their impressive 37–5 win against Chichester Free School. Next week, they'll play their final match before the half-term break against Ormiston Six Villages Academy.

Thursday 16th October

Year 10 Girls Netball vs Felpham (Chichester Fed League)

The Year 10 girls travelled to Felpham this week and once again played a brilliant game of netball. This time, they came away with a well-deserved win, finishing with a strong 30-10. The team delivered some excellent feeds into the circle and made powerful drives onto the ball, both of which had a big impact on the game. Next week, they face Bourne Community College. Let's hope for another great performance and another win!

And Finally...

Petersfield County Secondary School Try Persevere Succeed

We have recently uncovered a Team TPS archive of old photos and press cuttings. Over the next few months we would like to share some of these wonderful memories with you .

This week: RAG Week 2002

In 2002 the school raised £2,000 for charity. Some of the more unusual fund-raising activities included:

Nick and Alma wore novelty specs for the day. Sonja and Melissa were tied together at the ankle and Tom spent the day dressed as a girl!
