**Welcome back from the
Expressive Arts Faculty**

Welcome Back to TPS!

We hope everyone had a restful and refreshing half term break. As we dive into the second half of the autumn term, there's plenty to look forward to!

Next week marks the much-anticipated *Premiere Performance*, a celebration of creativity, collaboration and courage from our Year 7 students. Held in the TPS Studio over three evenings, each tutor group will take to the stage to showcase the music, dance and drama skills they've been developing since September. It's their first major performing arts event, and we couldn't be prouder of the energy and enthusiasm they've poured into rehearsals.

This year's theme, *TPS Travels*, promises a vibrant journey through cultures and imaginative storytelling. Family and friends are in for a treat as our young performers bring their ideas to life with flair and confidence. Do make sure you have bought your tickets for your child's performance, more information can be found below.

Please click on the link to book tickets:

A huge well done to all involved—we can't wait to see the final performances next week!

Road closures between West Meon and Langrish affecting Winchester to Petersfield service 67

04 Nov 2025 to 28 Nov 2025

Cityfibre have requested the closure of the road between East and West Meon between Monday 3rd and Friday 7th November.

When the closures occur, service 67 journeys from Winchester towards Petersfield will divert from West Meon Hut direct along the A272 to Langrish and will then double run to East Meon Church. Journeys from Petersfield towards Alresford and Winchester will follow the same diversion in reverse.

From Monday 10th November for a 3 week period until Friday 28th November the cabling works will move to the section of road between East Meon and Langrish. There is insufficient time in the schedule and a lack of safe turning places for the bus to double run from West Meon Hut to serve either village, so unfortunately the bus will remain on the A272 and will omit all stops between Langrish and West Meon Hut for the duration of the closure.

Year 8

Year 8 will be sitting assessments in the majority of their subjects between Monday 17th November and Friday 28th November. These will be an important opportunity for students to apply what they have been learning in lessons and receive feedback on how to improve from teachers. Further to this, the **English** and a **Maths** assessment will take place on **Monday 17th November** and **Tuesday 18th**

November in the Sports Hall in exam conditions. This is to build students' confidence in working in this manner and help them to achieve their best work.

Please ensure students are fully equipped with **all** the equipment they need for these assessments such as: a black pen, pencil, ruler, protractor, calculator, and a pair of compasses. All equipment must be in a clear pencil case.

Water can be taken into the assessment but must be in a clear plastic bottle. Students are **not** permitted to take any unauthorised items into the exam room such as phones, watches or air pods.

Please see the timetable below for the assessments taking place in the Sports Hall. All other assessments will be completed throughout the assessment window during lesson time.

Date	Time	Subject

Year 11

Y11 PPE Exam Timetable

Year 11 will be completing Pre-Public Exams (PPEs) in the majority of their subjects after Half Term (Monday 10 November – Friday 21st November)

These will be sat under exam conditions and will be an important opportunity for students to apply their knowledge and understanding and receive feedback on how to improve from teachers.

Please see below for an overview of the timetable. Personalised timetables, confirming exam room and seat number have been issued to students this week and an electronic copy has also been shared with them.

If students study any subjects that have exams timetabled at the same time, their timetable confirms the date and time that they will sit each exam.

Your support in ensuring your son/daughter arrives on time and is fully equipped for their exams is greatly appreciated. As a minimum they **must have** a black pen, pencil, ruler, protractor, calculator, and a pair of compasses. All equipment must be in a clear pencil case.

Water can be taken into the assessment but must be in a clear plastic bottle. Students are **not** permitted to take any unauthorised items into the exam room such as phones, watches or air pods.

TPS - Spotlight

Huge congratulations to Mrs Goodall and TPS Head Boy, Joe T, on their Petersfield Award wins last week!

Joe won the 'Young Achiever' award and was nominated for continuing to raise money for many charities, as well as directing his own show for young people. A real inspiration!

Mrs Goodall won the award for 'Wellbeing' and was nominated for her fantastic work as a mental health first aider at TPS.

Well done to them both!

What Schools Need to Know about THE ONLINE SAFETY ACT

The Online Safety Act was passed into UK law in October 2023, with the aim of establishing major new layers of protection for children when they're online. The government has pledged "a zero-tolerance approach to protecting children from online harm" – and the act certainly includes more powerful legislation which should help to safeguard young people in the digital world. Our guide summarises the key points for schools ...

WHAT THE ACT WILL DO

HARMFUL CONTENT

Social media sites must rapidly remove illegal and/or harmful content such as bullying or harassing comments; pornography; and content that supports extremist activity or encourages or depicts violence, suicide, self harm or eating disorders. If they fail to do so, they can be fined up to 10% of their global revenue while their executives may even face jail time.

ANIMAL CRUELTY

Content featuring cruelty to animals is now prohibited, even if it originates from abroad (where the law may be different). Again, it is the platform's responsibility to remove this.

MORE TRANSPARENCY

Sites must be transparent about the hazards that any children using them could encounter – by publishing risk assessments for their platforms, for instance.

HOSTING MISLEADING ADVERTS

Scams and fraudulent adverts must be blocked or removed, or the hosting companies are liable to be fined.

NON-CONSENSUAL SHARING

It's now easier to convict online abusers or people who share intimate images without consent, while legislation on the criminality of deepfakes has been clarified. The new laws also relate to any individuals who even threaten to share such images. This should help to protect women and girls in particular online.

REPORTING AND FILTERING

Sites should have easy reporting mechanisms for children (or their parents and carers) to flag up problems quickly. They must also provide options to filter out unwanted content.

AGE-RESTRICTED MATERIAL

Sites must prevent children from accessing age-inappropriate material. This includes enforcing age limits and implementing robust age verification.

What this means for you

The act has some specific implications for schools: it's essential that leaders understand the new legislation's scope and limitations. The act is certainly a positive step, but as artificial intelligence and other advances in tech continue to produce new challenges, schools will still need to remain extremely vigilant.

KNOW WHERE TO GET HELP

Look out for the Code of Conduct that Ofcom is creating in response to the Online Safety Act. Note that the new legislation doesn't mean an instant change: many of its elements will only come into force at the end of 2023. An Ofcom consultation on 'protecting people from illegal harms online' will be running until February 2024.

REMEMBER THE ESSENTIALS

Remain mindful of your organisation's own online activities: the legal duty for schools to maintain appropriate software monitoring and filtering, for example, will not change.

WATCH FOR FUTURE DEVELOPMENTS

There are some issues on which the legislation remains less clear for now: whether it's possible for Ofcom to scan encrypted private messages (such as on WhatsApp) has yet to be resolved, for instance – making this an area where, for the moment, young people have less legal protection.

UNDERSTAND AND EXPLAIN

Staff should learn how to raise concerns with tech companies whose platforms contain anything upsetting or unpleasant. Students also need to be made aware of the newly strengthened laws relating to cyber-bullying, sexting or posting inappropriate content. Young people do make mistakes online – so the clearer their understanding of the possible consequences, the better.

ENGAGE WITH PARENTS

Schools should also explain to parents and carers the new possibilities that the Online Safety Act affords them in terms of protecting their children. Many parents may have previously felt that there was little they could do about changing online platforms' content; they now have a far greater level of support when complaining about a company or the behaviour of an individual.

U15 Girls Hockey v Bedales- Friendly

TPS 0 v 1 Bedales

The girls made the short trip to Bedales on Bonfire evening to play against a strong Bedales team. The girls set up well having had a strong warm up courtesy of table tennis ball.

The pace of the game was quick and Bedales pulled off some aerials early in the game which meant the girls knew they were in for a tough game. The girls kept their structure well with a solid back line which soaked up the pressure. The outletting down the wing worked well to relieve pressure and TPS started to make ground into Bedales half. By the end of the first half TPS had the upper hand and there was some lovely link up play down the right which resulted in a number of circle entries.

After a quick half time talk and some feedback with regards to setting up the back line for some transfers TPS came out strong. In the first 5 minutes a number of transfers were made round the back to relieve pressure which demonstrates how well the girls took on feedback. The game now was much more stretched with TPS making numerous attacks. Great disruption from the midfield lead to a number of shots on target. Unfortunately Bedales pressure continued and after the ball bounced around in the D they scored.

The game finished 1-0 to Bedales but some great hockey from both sides was played and a big well done to those girls who played their first 11 match and stepped up from the younger years.

Year 9 Girls Football vs Felpham Round 3 National Cup

Year 7 Boys Football vs Cowplain and Hayling in Havant Fed League

TPS 5-0 Hayling

TPS 3-0 Cowplain

TPS Year 7 Boys team have continued their unbeaten start to football life at TPS. This time it was the start of the Havant Federation league with games against Cowplain and Hayling Island School. TPS started strongly with some new faces taking to the pitch and kept Haylings space restricted. The boys scored early through a good goal from Charlie. Other goals from Charlie, Jimmy and Oscar followed to make it a strong 5-0 win.

The boys continued this run of form into the Cowplain game. With an early own goal giving TPS the lead, they then continued to work hard and push for a second. Their efforts were rewarded not long after with an excellent finish from Freddie to make it 2-0, the goal scoring was rounded off with a good finish from Connor. TPS now have three games to look forward

to next week against Court Moor on Monday in the National Cup, Bishop Luffa on Tuesday in the start of the Chichester Federation League and then a trip to HTC on Thursday for the Havant Federation league, They are still awaiting news on their opponents in the County Cup.

Team TPS History

We have recently uncovered a Team TPS archive of old photos and press cuttings. Over the next few months we would like to share some of these wonderful memories with you .

This week: Premiere Performance 2005

In 2005, the new Year 7 students completed a project called Cycle to Success over the summer holidays. The projects were celebrated at the Premiere Performance, with the two best projects winning a brand new bike. Congratulations to Harry G and Imogen C!

Paid Opportunity - Host Families Wanted for UK-China Cultural Exchange Programme!

We are excited to announce that The Petersfield School will be hosting a group of 20 students from Elite Journey as part of an enriching UK-China Cultural Exchange Programme. The students, aged 11-16, will be visiting TPS for two weeks to experience British culture and enhance their language skills.

We are now looking for host families within the TPS community who can open their homes and offer a warm, supportive environment for these visiting students during their stay from 1– 14 February 2026.

The poster is framed by a decorative border of colorful Christmas lights. At the top left is a large yellow question mark. In the top center is the TPS logo, which includes a Santa hat icon and the text 'TPS | The Petersfield School'. To the right of the logo is a large, stylized 'QUIZ NIGHT' graphic in blue and yellow. Below the logo, the text reads: 'The TPS Appeal Trust Quiz', 'Tuesday 2 December 2025', and '7.30pm in The TPS Studio'. To the right of this text is another large yellow question mark. Below the date and time, it says 'All proceeds go to the TPS Appeal Trust', 'Teams max of 6, open to parents and staff', and 'Cost £12 a table'. At the bottom, it says 'Contact dfindlay@petersfieldschool.com to book'.
