Welcome from The TPS Site Team

We are the TPS site team, (From left to right) Luke D, Panna, Tony, Luke M and (front) Inny. Under the management and guidance of Tony, our job is to support the smooth day to day operation of the school, ensuring the maintenance, upkeep, and development of the entire site.

Site Manager Tony – “I’ve loved being part of the TPS family so far. It is such a lovely place to work, and the staff are so nice and I have felt welcomed from day one. Not only am I a member of staff but I

am also a TPS parent and therefore take pride in the school being the best it can be. I feel I have a great team behind me who are approachable, friendly and hardworking.”

Inny – “I am happy with the job because it is challenging for me and everyone works as a team. The staff are lovely.”

Pannarai – “I want to make the school a clean, convenient and orderly learning environment for the students.”

Luke D – “I’m proud to be part of a team that truly value innovation, integrity and getting things done”

Luke M – “I’m new to TPS but so far I have loved every minute. Everyone has been so friendly and welcoming and made me feel instantly settled. I’m so happy to be part of the site team and learning new skills to help with the role.”

Gut bacteria could change who you are.

As humans, our skin, mouths and intestines are teeming with complex microbes, some of which are older than mankind itself. Some think they could hold the key to contentment.

In this week's TPS Talks, we have been discussing and sharing our opinions regarding the trillions of microbes in our gut and how these can shape our mood, health and even our behaviour.

Why not continue the conversation at home by talking with your child about the importance of what we eat and how it affects our body.

THE PETERSFIELD CHRISTMAS GIVE 2025

Donations Needed Please!

In his 12th year, can you help Joe (aged 16) to bring a smile to children, families and individuals in our community who are facing a tough time this Christmas?

Joe is collecting food and gift donations to be distributed between Homestart Butser and The King's Arms.

Items he is collecting:

- . Chocolates/Selection Boxes/Christmas Treats
- . New toys/gifts suitable for boys and girls 0-16 years

In Jake's Toys and Clavio Lounge, there will be a "Giving Tree" where you can select to buy a gift for a child described on the tag. Please then return the gift (unwrapped but with the tag attached) to any of the Drop Off Points below.

Drop Off Points:

- . Jake's Toys, Chapel Street
- . Sage & Salt Studio, Swan Street
- . Clavio Lounge, Rams Walk
- . Free Shop (Petersfield Train Station)
- . The Dandy Cat, Central (Waitrose) Car Park

Donations are being accepted until **Saturday 20th December 2025.**

Jake's Toys have kindly set up a donation scheme, whereby they can accept cash or card payments for Joe to purchase gifts on your behalf.

Thank you
Joe

Attendance

Attendance matters

Student Council Update

Student Council – what have we been discussing?

This term, students from Years 7 to 10 shared ideas to make school even better. They talked about improving facilities like toilets, PE changing rooms, and water dispensers. Students asked for more trips, themed days, and fun events, as well as clearer food labels and more special menu days. They suggested adding extra rewards for ERAs and making sure points are given fairly. Finally, they shared thoughts on classroom participation so everyone gets a fair chance to speak.

Don't forget: every tutor group has a Student Council representative—if you have ideas or something about school life you'd like discussed, speak to your rep!

Year 8

Well done!

Well done to Year 8 for doing so well in their assessments this week.

The students showed real maturity and resilience as they practiced working in exam conditions in the Sports Hall for their English and Maths assessments. We are very proud of them and wish them luck for the rest of their assessments.

Year 9

Over the Summer we welcomed 210 students from our Class of 2030 to the Summer Explorers event. Whilst this event is led by teaching staff, the success of it and the positive integration into Team TPS for our incoming Year 7 pupils is underpinned by the host of Peer Mentors who support the students. This has the effect of providing the Year 7's with a selection of friendly faces that they will recognise from other year groups when they start. This year, the Year 9's were also joined by Izzy R from Year 10, who is a member of our Prefect team and was a Peer Mentor last year. Izzy helped to coordinate the Year 9 mentors and helped to provide an amazing experience for all in attendance.

Year 10

Last week saw the appointment of the newest members of the TPS Student Leadership Team, with 90 Year 10 students stepping into the role of Support Prefect. As well as providing students with the valuable experience of holding a position of responsibility in school, the Year 10 Support Prefects work closely with existing Year 11 Prefects to provide cover for them whilst the Pre-Public and GCSE exams are taking place. It is also a fantastic stepping stone for those who wish to put themselves forward for the position of Head boy / Head girl as they approach Year 11.

Although only in post a few days, the general feedback for the new team has been exemplary, and we look forward to seeing the team continue to grow together as the year progresses

Year 11

Feeling the pressure of exams? After the festive holidays, you'll have the chance to spend time in the OC (Outdoor Classroom), reconnecting with nature and taking a well-earned break from the stress.

These sessions are designed to help you **decompress**, **recharge**, and enjoy some time outdoors—right when you need it most.

What's involved? Outdoor activities, nature-based chill time, and space to breathe.

When? During your usual PE slot—so no extra time needed.

Why? Because your wellbeing matters, especially during exam season.

If you're up for swapping sporty activities for fresh air and nature vibes, this is for you.

Year 11 – College Applications and Post-16 Plans

As many students will have attended College Open Days over the previous weeks, they should now begin making applications to their colleges of choice. We do strongly advise students apply to multiple colleges, to maximise their chances. If your child is yet to make an application, please can you support them in doing so – we encourage applications to be submitted by Christmas break. If they need support with the process or are still in need of careers advice, please ask them to pop and see me in the Careers Office, situated behind Reception.

We are rapidly booking all students in for their Careers Meeting and please be assured they will all receive an appointment by February half term. If you have any concerns please email me:

GCSE Certificate and Celebration Evening 2025

Class of 2025 Certificate and Celebration Evening

Last night we welcomed back the Class of 2025 to award them their GCSE certificates. In a special evening, we said a fond 'Team TPS' farewell, and congratulations to all of the students on their hard work.

In a hall full of students and families, Mr Marande expressed how proud we are of the students for being our highest achieving year ever in the history of the school. This year TPS is again one of the top five schools in Hampshire out of over seventy secondary schools. Mr Mike Robinson, our Chair of Governors, congratulated the students and encouraged them to always be curious and try new things. To conclude the evening special subject prizes were awarded to students for individual outstanding effort or attainment during their studies at TPS.

Well done Class of 2025, we will certainly miss you all!

Students who were unable to attend the event can collect their certificates from Reception during core school hours from Monday 24 November. Note we can only release certificates to students. Should a family member wish to collect on a student's behalf, we require them to provide written consent via email to the school, or they can give their nominated person a note to bring with them. Unfortunately we are unable to post certificates.

Free Online Sessions For Parents

Thames Valley Cyber Protect team are inviting Parents and carers to join engaging and informative Cyber Security training presentations. These sessions will share easy-to-implement tips for parents/carers regarding theirs and their family's online behaviours and internet-enabled device usage.

This session covers key topics, including:

1. Emails and mobile phones: The art of spotting a scam – lots of hints and tips to share with your children around phishing and other scams.
2. Social media safety: The risks around social engineering, disinformation, AI, privacy and hacked accounts.
3. Gaming: Understand what the risks are to young people when gaming, particularly online, and discover ways to monitor and restrict usage.
4. Password mastery and Two-Factor Authentication (2FA): Helping you and your family to secure your accounts following best practice.

We have been made aware of a pop-up that is appearing on Roblox, encouraging children to download an app called pollybuzz (or pollyfuzz in some spelling cases). The app seems quite simple where children are asked questions, and it generates an Artificial Intelligence ‘friend’ – this starts off quite innocently but then begins to show extreme content (including suicide, self-harm and pornography). It may be helpful to remind children about not clicking on pop-ups in games and to report anything that is worrying or inappropriate to a trusted adult.

Please remember that parental controls will stop some pop-ups, but not all, so appropriate supervision is still required.

Year 7 Football National Cup Round 3

TPS 0-1 Court Moor

TPS took to the field again on Monday this time searching for a spot in the fourth of the National Cup.

The boys worked hard on a challenging pitch, despite their efforts they struggled to create any clear cut opportunities. A game that looked like it was destined for another shootout then saw Court Moor score a few minutes from time to make it 1-0. A good performance from the boys which showed excellent resilience following the previous defeat to Bishop Luffa.

The year group now look forward to Thursdays game at Warblington.

Year 7-11 Swimming Super League

A new competition has been created this year by the ESSA to provide more competitive opportunities for students to swim. TPS travelled to St Theresa's in Effingham and competed against St Theresa's, RGS, and George Abbot School. The students did exceptionally well against a strong field with a lot of our swimmers, swimming against a really tough field. Congratulations to Phoebe who won her freestyle race.

Tuesday 18th November

Year 8 Football (Havant Federation League)

TPS 3-0 Warblington

TPS 1-0 Havant

Congratulations to the Year 8 boys who have kept their unbeaten run in the Havant Federation League going with confident wins over Warblington and Havant.

The boys have shown great resilience and determination and are finishing the calendar year strong.

Year 9 Girls Netball

TPS vs Ditcham

Year 10 Rugby Chichester Federation League

TPS 14 Bishop Luffa 28

The U15 squad started strongly against Luffa, with James N crossing early to take his try haul for the season to 5. Luffa fought their way back into the game with some direct running from a dynamic back row who bossed the gaps around the fringes. The teams entered half time all square. TPS started the second half strongly, Tommy, Luis and both James' finding gaps to get in behind, Luis scored in the corner after some excellent back play from Tom, Tommy and James before Luffa found their footing again to take the game away from us at the death. The boys are developing so much each game and I look forward to see how they get on in their first home game on the season on the 1st December.

X-Country Event

Wednesday 19th November

Year 7 Girls Netball vs Bourne Community

Thursday 20th November

Year 7 Football vs Warblington (Havant Federation League)

TPS 2-6 Warblington

TPS have now had over 50 boys represent the school football team and in the recent rotation of the squad in the Havant League, the boys travelled to Warblington. Despite going 1-0 down early on, a quick equaliser from Freddie got TPS back on level terms. The boys then continued to work hard but unfortunately found themselves 3-1 down at half time. Second half they bounced back and reduced the deficit by 1 through another goal from Freddie. Unfortunately this pressure wasn't enough and Warblington went on to score a further 3 goals and seal the win.

Paid Opportunity - Host Families Wanted for UK-China Cultural Exchange Programme!

We are excited to announce that The Petersfield School will be hosting a group of 20 students from Elite Journey as part of an enriching UK-China Cultural Exchange Programme. The students, aged 11-16, will be visiting TPS for two weeks to experience British culture and enhance their language skills.

We are now looking for host families within the TPS community who can open their homes and offer a warm, supportive environment for these visiting students during their stay from 1– 14 February 2026.

[Host-Families-Wanted-TPS-2026.pdf](#)

The poster is framed by a decorative border of colorful Christmas lights. At the top left is a large yellow question mark. In the top center is the TPS logo, which includes a Santa hat icon and the text 'TPS | The Petersfield School'. To the right of the logo is a large, stylized 'QUIZ NIGHT' graphic in blue and yellow. Below the logo, the text reads: 'The TPS Appeal Trust Quiz', 'Tuesday 2 December 2025', and '7.30pm in The TPS Studio'. To the right of this text is another large yellow question mark. Below the date and time, it says 'All proceeds go to the TPS Appeal Trust', 'Teams max of 6, open to parents and staff', and 'Cost £12 a table'. At the bottom, it says 'Contact dfindlay@petersfieldschool.com to book'.
