Welcome from the Cast of the TPS Staff Panto

I am extremely pleased to present the cast of this year's staff pantomime, Cinderella. Since September, dedicated members of staff have given up their lunchtimes to rehearse scenes and parodies of popular pop songs. It has been an absolute pleasure to work with so many different staff members from across the whole of the school, who have managed to bring massive amounts of joy and fun into their characters.

This is my third year at TPS, but my first ever pantomime, something I would like to continue. We have already sold over 100 tickets, so if you haven't already purchased make sure you do before they sell out! I need to thank all the staff that have made this possible, including Lucy Reah who has been at every rehearsal co-directing, and cannot wait to showcase the amazing talent we have to offer. Be ready for a night of laughter, questionable costumes, and hilarious characters. Doors open 12 December at 6pm, ready for a 6:30pm start.

Miss Mosquera

The TPS Staff Pantomime will take place in the Studio on Friday 12 December at 6.30pm

Tickets available from the TPS Studio [ticketsource](#) £3 for students and £4 for adults

Book your tickets now and be part of the magic—because at midnight, they might all turn back into teachers!

Communications & Reminders

enjoy respect achieve

15,770 ERAs for the whole school this week!

THANKYOU!

A Smartphone Policy Thank You

Thank you all for your support in the changes we made at the start of this term regarding our smartphone policy. It has had an incredibly positive impact on the atmosphere in the school, particularly in the morning when students arrive.

After gaining feedback from Year 7 and 8 students this week, I wanted to share a few thoughts from them;

'Now smartphones have been banned on my minibus we all chat instead of looking at our phones. I feel like I know everyone better'

'I think it's great , it stops any online bullying.'

'I think that it is a brilliant idea to have policy of no smartphones in school'

'I think it's a really good policy and that you should keep going forward with it'

As we approach the end of the first term, and to ensure the policy is as effective as possible, we will be conducting some random checks over the coming weeks.

We are really happy with the changes and appreciate the support you have given us.

Mr Ayres - Assistant Headteacher

Rail Season Tickets

Spring term rail season tickets for the period from 6th January to 27th March 2026 have been available on ParentPay since early October. The deadline for payments on ParentPay is Wednesday 10th December.

You will need to enter your child's date of birth and the number of their valid rail photo ID card to proceed with the order.

Ordered tickets will be available for collection from school reception during the last week of this term.

If you have not ordered a rail season ticket from school before and would like to order a Spring term season ticket please email fcooper@petersfieldschool.com by 9th December with your child's name, year group and the station that they will be travelling from and we will make the option available to you.

Thank you and Seasons Greetings from TPS Finance Team

In this week's TPS Talks we have been discussing whether Advent has lost its meaning and whether we have lost sight of the true spirit of Christmas. Debates have centred around Advent being too commercial versus Advent being about kindness to ourselves and an important part of the fun of Christmas.

Has Advent lost its meaning? As advent calendars and “1 December boxes” grow ever more luxurious, some fear that we have lost the true spirit of Christmas.

For this week's TPS Talks news story, please click on the link: [TPS-Talks-Week-12-5.12.25](https://www.petersfieldschool.com/News/TPS-Talks-Week-12-5.12.25)

THE GREAT TPS CHRISTMAS BAKE OFF

Year 7 - 8 December 3.30-4.30

Year 8 - 9 December 3.30-4.30

Year 9 - 11 December 3.30-4.30

Year 10 - 12 December 2.30-3.30

Competition Details:

The competition will involve decorating pre-made or pre-bought cup cakes

The competition will take place in the Food Tech Room after school

1 team of 2 students per tutor group

You must bring your own decorating ingredients for the competition

You will earn ERAs for participating as well as prizes for the winners

Special guest judges will assess your decorating skills!

Speak with your tutors to sign up!

The TPS Appeal Trust Quiz

Tuesday night saw the welcome return of the TPS Appeal Trust Quiz. Eight teams of parents, staff and governors took part in the hotly contested quiz. A great night was had by all, so watch out for any future Appeal Trust events!

Many thanks to all the parents who came along to compete, Mr Findlay for organising the event and to our expert quiz master Mr Curtis Raleigh.

Rucksack Loan for School Outdoor Activities

We are pleased to inform you that we are now able to loan students rucksacks for use on school outdoor activities such as camps, Duke of Edinburgh expeditions and World Challenge expeditions. We hope that this will help lower the cost for students participating in our outdoor programme.

Click on the link for more information: [Rucksack-Loan-Letter.pdf](#)

TPS Diving Academy

We are excited to announce that the TPS Diving Academy will be continuing in the Spring Term in partnership with Sunken Dreams Scuba Diving Academy. The club offers opportunities for new and experienced divers to gain qualifications and take part in exciting diving adventures throughout the year in the UK and abroad.

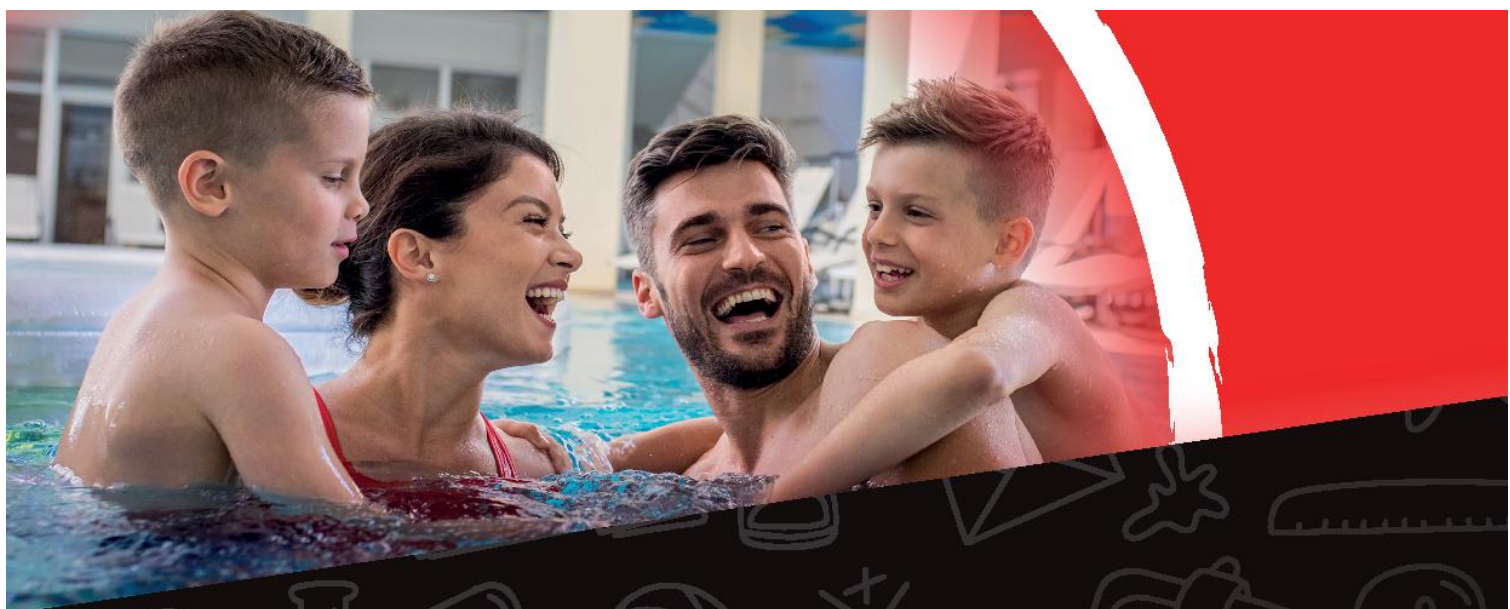

The TPS Eco Club

Last week members of the TPS Eco Club attended a screening in The Studio that promoted rewilding and regeneration of the British landscape.

"TPS's Eco Club joined members of the general public in the screening of Wilding, a documentary based on Isabella Tree's popular book. As well as this, we partook in a discussion with a panel including members from the Knepp Project, an estate dedicated to re-wilding. Following the documentary, Eco Club were inspired to consider their own future re-wilding projects within the school site" - Ellie.B (Eco Prefect).

The students were a credit to the school and interacted with the panel of experts with maturity. The panel commented on how impressed they were with the students questions.

Year 7

Year 7 Camp 2026

Year 7 Camp 2026

As part of the school's core offer to Year 7 students, we provide the opportunity for them to attend a residential Summer Camp during July. Summer Camp has been running in a similar format for many years and has consistently received rave reviews from students and positive feedback from parents.

For more details, please click on the link: [Y7-Camp-2026 Parent-Letter.pdf](#)

BET Book Award 2026 - I am delighted to launch the **Book Award 2026**. Year 7 students are invited to take part in this exciting reading initiative. Feedback from previous literary events shows that students have greatly enjoyed the experience and benefitted from reading for pleasure while developing their literacy skills at Key Stage 3. For full details and information on how to register, please see here: [BET Book Award 2026](#)

Year 8

Year 8 Camp 2026

Year 8 Camp 2026

We are excited to announce the opportunity for pupils in Y8 to participate in the TPS Bushcraft Camp in association with Campfire, Wild Adventures.

The bushcraft camp will give students in Y8 the opportunity to build on the experience of Y7 residential camp by taking part in a variety of outdoor learning and adventure activities designed to promote independence, resilience, confidence and teamwork whilst in a fun and stimulating outdoor environment with their friends. The camp is also designed to help students develop the skills, knowledge and character to successfully participate in the Duke of Edinburgh program run in Y9 & Y10.

STEM Club for girls

A new STEM (Science, Technology, Engineering and Maths) club is starting up in M7 on Monday lunchtimes. If you are a girl in year 9, 10 or 11 with an interest in any of these areas then bring your lunch and come along! There will be a different activity each week linked to one of the STEM areas, from making mini catapults to code breaking.

Year 10

STEM Club For Girls

A new STEM (Science, Technology, Engineering and Maths) club is starting up in M7 on Monday lunchtimes. If you are a girl in year 9, 10 or 11 with an interest in any of these areas then bring your lunch and come along! There will be a different activity each week linked to one of the STEM areas, from making mini catapults to code breaking.

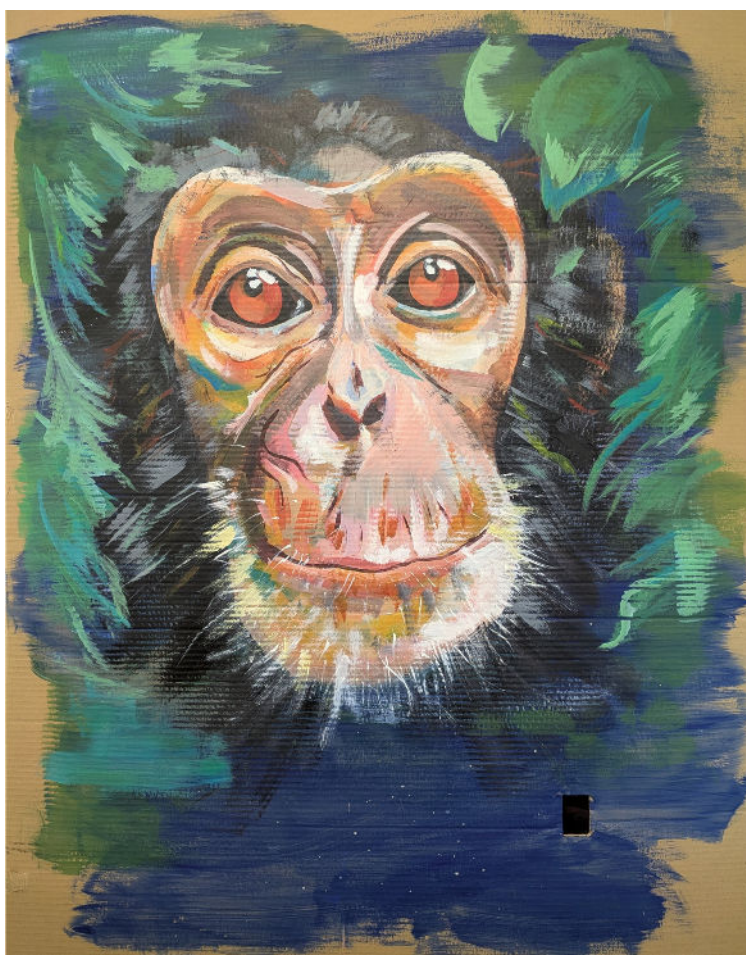

Year 10 Careers

TPS Careers Hub – Our platform for advice and support on all things Careers and Post-16 information, plus links to exciting and inspiring opportunities. This will be updated weekly so keep checking for information to support your child in making their Post-16 plans!

[CareersHub.com/careers-the-petersfield-school-](https://careershub.com/careers-the-petersfield-school-)

Year 11

Congratulations to Bea H in Year 11 who has been selected as TPS Artist of the Fortnight.

Bea's painting was entered into a hotly contested National Competition to have work featured on the cover of Specialist Crafts catalogue. Amongst tough competition, Bea was awarded runner up, resulting in her work being displayed on the Specialist website to be appreciated by many artists and art educators across the country.

Her painting was recognised as being expressive and eye-catching, with fluent and confident brushstrokes that really brought the subject to life.

STEM Club for girls

If you are a girl in year 9, 10 or 11 with an interest in any of these areas then bring your lunch and come along! There will be a different activity each week linked to one of the STEM areas, from making mini catapults to code breaking.

Outdoor Classroom Sessions
Would you like the chance to spend time in the OC?
(Outdoor Classroom)
These sessions are designed to help you **decompress**, **recharge**, and enjoy some time outdoors—right when you need it most.

What's involved? Outdoor activities - nature-based chill time
When? During your usual PE slot - so no extra time needed.
Why? Because your wellbeing matters.

Spending time in nature has numerous benefits for mental, emotional, and physical health.

- Improved attention and concentration
- Lowered stress and anxiety
- Enhanced mood and happiness
- Increased empathy and cooperation
- Lowered blood pressure and cortisol levels
- Restored feelings of calmness and reduced irritability
- Improved creativity and focus

Sessions include
Fire lighting / hot drinks / marshmallows / cooking

Please click on the link to [SIGN UP](#)

Outdoor Classroom Sessions

After the festive holidays, you'll have the chance to spend time in the OC (Outdoor Classroom), reconnecting with nature and taking a well-earned break from the stress.

These sessions are designed to help you **decompress**, **recharge**, and enjoy some time outdoors—right when you need it most.

What's involved? Outdoor activities, nature-based chill time, and space to breathe.

When? During your usual PE slot—so no extra time needed.

Why? Because your wellbeing matters, especially during exam season.

If you're up for swapping sporty activities for fresh air and nature vibes, this is for you.

Year 11 – College Applications and Post-16 Plans

As many students will have attended College Open Days over the previous weeks, they should now begin making applications to their colleges of choice. We do strongly advise students apply to multiple colleges, to maximise their chances. If your child is yet to make an application, please can you support them in doing so – we encourage applications to be submitted by Christmas break. If they need support with the process or are still in need of careers advice, please ask them to pop and see me in the Careers Office, situated behind Reception.

We are rapidly booking all students in for their Careers Meeting and please be assured they will all receive an appointment by February half term. If you have any concerns please email me:

Louise Groves – Careers Co-ordinator at The Petersfield School.

TPS - Spotlight

Christmas Card Competition

We are delighted that once again the Mayor of Petersfield has chosen to have his official Christmas card designed by a student from TPS. There was strong competition with some beautiful designs created. Clover was the winner with her excellent depiction of Petersfield Lake in Winter while Noah, Todd and Maggie were worthy runners-up.

Save the Children Festive Concert

On Friday evening, our fabulous musicians performed in the annual Save the Children festive concert at Churcher's College. We kicked things off in style with our wonderful String Ensemble. Then our new Year 10 rock band got everyone into the season with their version of 'Merry Christmas Everyone', with Keira L's stunning vocals.

NSPCC research: One in 10 UK parents say their child has been blackmailed online

New research by the NSPCC has found online blackmail is a significant problem for UK children and young people.

The findings are:

One in five parents and carers know and have supported a child who has been blackmailed online.

One in ten parents and carers said that their own child has been blackmailed online.

Two in five parents and carers said they rarely or never talk about online blackmail with their child.

Despite reporting high levels of knowledge and confidence about online blackmail, parents and carers said they worried about how their child would react to a conversation on the topic and feeling uncomfortable themselves.

One in three parents and carers think the government and technology companies are not effective in preventing online blackmail.

The NSPCC's definitions of blackmail included threatening to release an intimate image or video of the child, or something the victim wanted to keep private, such as their sexuality. The information could have been obtained consensually or it could have been obtained by coercion, manipulation or created using artificial intelligence.

Perpetrators can be strangers, such as sextortion gangs, or someone the child knows, such as a friend or schoolmate. The blackmailer can also demand a range of things in exchange for not sharing information, such as money, more images or staying in a relationship.

The National Crime Agency has said that it is receiving more than 110 reports a month of child sextortion attempts (when criminal gangs trick teenagers into sending intimate pictures of themselves and then blackmail them).

The NSPCC recommends that parents and carers are aware of who their children are talking to online and tell them what a sextortion threat looks like. They also advise creating opportunities for children to talk to adults so that teenagers feel they have a space where they can reveal they have been targeted by blackmail. The report also advised against "sharenting", which refers to parents sharing photos of and information about their children online.

What is sextortion?

Tuesday 2nd December

Year 7 Boys Football County Cup Round 2

TPS 2-0 Cams Hill

Congratulations to our year 7 boys who in horrendous conditions battled hard to secure a place in the 3rd round of the county cup. The boys worked tirelessly in driving rain and were difficult to break down. A scrappy first half with limited chances ended 0-0. TPS then pressed hard from the front in the second half. Goals from Joe and Freddie gave TPS a 2 goal cushion. An outstanding performance from Cameron in the TPS goal made sure that TPS came away with the win.

U16 Girls Hockey v St Edmunds

TPS 0-4 St Edmunds

This fixture didn't start well with 4 girls not able to play meant we travelled with 8 players, however despite this the remaining girls were very keen to play and Alia even stepped up to play in goal.

But then we set off and the rain started and it didn't stop! However in true hockey style the girls battled on. St Edmunds kindly offered us players to even up the sides and after some emergency bib wearing the game began. It was a fast paced game with some excellent skills on show from both teams. St Edmunds were clearly the more coherent team and linked up play very well. Despite this the TPS defence stood strong and absorbed a lot of pressure, Alia making some great saves. Eventually the pressure was too much and the girls conceded 3 by half time.

The rain continued in the second half and so did the St Edmunds pressure but TPS were able to get the ball down the other end and force their goal keeper to make some good saves. The girls never gave and battled until the end. Final score 5-0 and a run to the minibus to try and warm up.

Wednesday 3rd December

U13 Girls Hockey

TPS 3-3 Bedales

Short trip to play the U13s second game of the season against Bedales, for some this was their first ever hockey game so it was great to give them this opportunity. The girls agreed their formation and discussed their roles within short corner and excitement of wearing the masks, it was also Rose's first time as goal keeper and again was excited to wear all the kit.

Both teams started well making some good linking passes and using the wings well. The TPS girls understood the instructions to attack wide and defend narrow and provided supporting runs. Bedales took the lead 2-0 with some well placed corner goals but an excellent run and cross into the D from Zara forced Bedales to turn the ball into their own goal. TPS followed up with another goal to make 2-2 at half time.

In the second half it was very even and end to end with both teams having good possession and lots of linking play resulting in both goal keepers being tested. The final score was 3-3. Well done to Rose and Zara for receiving POM.

Year 11 Boys Volleyball @ Porchester

Thursday 4th December

Boys Badminton

KS4 Boys Squash

TPS 78-71 Perins

Congratulations to Jake, Ryan and Pierce who kick started TPS squash season with a good win against Perins in Winchester. Following the withdrawal of another team each player had to play 3 games first to 11 against an opponent. These scores then get accumulated into a total number of points for the team. Some good games by all of the students involved in the Division 2 league.

Year 11 Handball

The U16 boys handball team travelled to Romsey to take on The Romsey School and Swanmore College. A tough first game against a dynamic Romsey team, outstanding attack and leadership from Billy H saw him score 7 of our 9 goals. We came back in the second half but fell short 11-9. In the second game against Swanmore, the boys found their rhythm and used the wings more effectively with Ben B picking up 5 goals from left wing. Final score 12-8 to TPS.

Year 7 Football

Year 7 Netball

TPS A 5 - 0 Swanmore

Well done to our Year 7 girls, who played an excellent game of netball yesterday and finished with a fantastic win! The whole team worked brilliantly together, with our defence making some impressive interceptions. A special shout-out to Alice and Sophie, who were both deservedly named Players of the Match.

THE GOOD SCHOOLS GUIDE

Earlier this term we were delighted to be selected for review in [The Good Schools Guide](#). They select the top state and independent schools with the purpose of providing parents with unbiased, candid reviews to enable them to make informed decisions when choosing a school for their child. Schools cannot pay to be included in the guide and you can find out more [here about how schools are selected](#) and [here for how the review process works](#).

We are excited to share their full review of TPS with you and we believe that it really captures the very special nature of our school community. Thank you for your continued unwavering support and partnership, we really appreciate it.
