Welcome from Mr Zhang Head of Mandarin

Over the past two weeks, TPS hosted 15 students from China. During this period, we also celebrated the Year of the Horse. Highlights can be seen in the video below, which include Chinese New Year assemblies, calligraphy workshops, learning Chinese songs, video-making competitions, as well as one week of delicious Chinese food at the canteen, trips to Oxford, and numerous cultural exchange opportunities in lessons and after-school clubs.

Students thoroughly enjoyed this intercultural exchange experience and formed meaningful friendships with each other. Mr Zhang said, "The Year of the Horse signifies resilience and adventures, which are great qualities that I have seen in both our TPS students and staff. I believe we will venture into the new year with many more exciting opportunities as well as accomplishments to take pride in."

Join us on Sat 14 February, any time between 10am and 1pm. Following a successful grant from the South Downs National Park, we're planting native hedges around the sports hall area to increase biodiversity. Bring some gloves and a spade.

Team TPS are the People's Choice Award winners at Dance Live 2026!

A HUGE well done to our fantastic performers and back stage crew for an epic performance this week at the Portsmouth Guildhall.

Celebrating David Attenborough's 100th birthday, their performance packed in his whole career. It was a poignant reminder of how wonderful and fragile nature is.

The TPS team picked up special awards for costume, their 'journey' video and the coveted People's Choice Award voted for by the packed out audience.

We are already looking forward to next year's performance!

We are pleased to invite everyone to our first ever TPS Family and Friends darts evening, where we will be turning the sports hall into the Alley Pally for one night only. An opportunity to have some fun with your friends and family by throwing some darts in a friendly based competition.

Maximum number of players in each team is 4 players. Tickets can be purchased through the [link](#) or QR code.

The bar will be open from 6pm-9pm and anybody that would like to come and watch but not play can also purchase an individual ticket at a slightly lower rate.

All entries need to be made by Thursday 5th March.

We hope to see as many of you there as possible. No doubt there will be a few staff teams to try and compete against as well.

Any queries, please don't hesitate to contact Mr Scutt in the PE Dept.

Student voice in action

The upper school TPS Talks topic has been requested by pupils at TPS, and we are really proud to be championing student voice in this way. In light of this, we wanted address a similar (but age-appropriate) theme with the lower school.

Upper School (years 9, 10 and 11)

'Teachers speak out over 'nudify' apps' - the damaging consequences of deep fakes.

Could a ban be the answer? Teachers are speaking out against deep fake "nudify" sites, a sickening new online trend. Experts warn that teenagers need to be prepared.

Lower School (year 7 and 8)

'Your Digital Footprint Matters' - the damaging consequences of a careless digital footprint.

Most young people leave permanent traces online - and employers, scammers and strangers can see them years later. It is time to reconsider our digital footprint as it can negatively impact our future.

TPS World Book Day Extravaganza

Scholastic Book Fair - A Whole School Success!

We have loved having the Scholastic Book Fair on site this week. Our Year 7 students have enjoyed their dedicated visits during their Literacy lessons which gave them time for private browsing and the chance to explore a wide range of exciting new reads. All other year groups were given the opportunity to attend the fair during breaks and lunchtimes.

Students have loved the experience which saw them creating wish lists, discovering new books and getting excited about the opportunity to choose and purchase books of their very own. Students said:

"The Book Fair has a great range of books that I can buy to add to my own bookshelf at home"

Charlie L

"I like that we have been given time to browse. It's great to see what new books are out there."

George T

Thank you for supporting your child in supporting their reading for pleasure!

Campfire Stories

As part of our school's commitment towards celebrating books and a love of reading, we are delighted to announce that Year 7 students will be given the opportunity to enjoy our Campfire Stories workshop, which will take place in the Outdoor Classroom as part of our World Book Day celebrations.

Further information will be sent to students via ClassCharts and students can ask their Literacy teacher. There is no payment needed.

Should you have any questions about this opportunity, please do email either Rjones@Petersfieldschool.com or Dlown@petersfieldschool.com

Year 7 Homework

Year 7 students start the year with a lighter homework timetable to help them settle into secondary school. From January, they will move onto the full weekly homework schedule.

Below is an overview of the homework students will receive each week from January.

Please note that expressive arts subjects may occasionally set optional enrichment tasks, which students can complete if they would like to.

Subject	Estimated time per week
English booklet	30 minutes
Literacy (Reading Plus/Lexia)	60 minutes (plus 30 minutes completed during Literacy lesson)
Maths Sparx*	30 minutes
Science Sparx*	30 minutes
MFL	30 minutes
History OR Geography project (alternates half termly)	30 minutes

*Over time, the Sparx algorithm should adjust the difficulty level so that it is suitable for individual students, meaning it can be completed in 30 minutes. If you are finding that even after several weeks, your child is spending more than 30 distraction-free minutes completing Sparx, please contact your child's Science or Maths teacher.

TPS Snow Sports Tour 2027

We are delighted to inform you that we are now able to launch the TPS 2027 Snowsports Trip to Year 7, 8 or 9. The trip is for 9-day (6 days on snow) to the resort of Lungau, which is situated in the most snow sure valley in the Austrian Alps. The tour will depart on **Friday 26th March to Saturday 3rd April 2027**.

UNLOC Public Speaking and Debating Bootcamp

We are excited to once again be offering the opportunity for students in Year 7 to take part in a whole day debating bootcamp with Unloc on 13 of March.

The bootcamp will take students out of lessons for a full day to take part in a variety of activities involving problem solving, public speaking, teamwork all designed to build confidence and have fun through the expert led session. The day will be on school site and there will be breaks at the usual breaktime and lunch during the day.

After the bootcamp, your child is invited to attend the weekly school Debate Club. They may also then express their interest in being selected for the team to represent TPS at the annual 'Big Debate' competition at Portsmouth University in the Summer Term.

The cost for the full day will be £31.50 per student. If you would like your child to take part but have concerns about meeting the payment, then please do contact me via email in advance to discuss further.

If you would like your child to take part in the session, then please do email Mr McCaffery before 13 February or ask any questions in advance via email at jmccaffery@petersfieldschool.com

Year 8 Homework

Below is an overview of the homework students will receive each week in Year 8.

Please note that expressive arts subjects may occasionally set optional enrichment tasks, which students can complete if they would like to.

Subject	Estimated time per week
English booklet	30 minutes
Maths Sparx*	30 minutes
Science Sparx*	30 minutes
MFL	30 minutes
History OR Geography project (alternates half termly)	30 minutes
RE – Padlet article	30 minutes

We would also encourage students to complete 60 minutes of independent reading each week. This doesn't need to be submitted or formally marked – the aim is simply to help students build a regular reading habit and enjoy books of their choice.

*Over time, the Sparx algorithm should adjust the difficulty level so that it is suitable for individual students, meaning it can be completed in 30 minutes. If you are finding that even after several weeks, your child is spending more than 30 distraction-free minutes completing Sparx, please contact your child's Science or Maths teacher.

Year 11 Half-Term Revision

Well done to all our Year 11s who have worked so hard this half-term in preparation for their PPEs, which take place immediately after the half-term break. We know that 84.3% of all students have been completing their weekly revision homework and revising for at least two hours a day, well done!

A reminder that a key focus for all Year 11 students for this half-term is revision. We recommend at least four hours per day of revision in order to be ready for the PPEs. Remember - students who revise hard for their PPEs are more secure when it comes to revising for the final exams!

Please note the duration of each exam has been included in the overview timetable to help parents and students plan for transport home should the exam extend beyond the end of the school day. This will certainly apply for the Chemistry exam timetabled for the afternoon of Wednesday 25 February, but may also apply to other days as well (dependent on subjects studied and duration of exam). All afternoon exams (for both the PPEs and GCSEs) will begin at 1.30pm and students are required to be in attendance for the full duration of the exam.

Your support in ensuring your son/daughter arrives on time and is fully equipped for their exams is greatly appreciated. As a minimum they **must have** a black pen, pencil, ruler, protractor, calculator, and a pair of compasses. We also recommend a highlighter for highlighting questions All equipment must be in a clear pencil case.

Water can be taken into the assessment but must be in a clear plastic bottle. Students are **not** permitted to take any unauthorised items into the exam room such as phones, watches of any kind, air pods or notes.

GCSE and Vocational Exam Information 2026

The GCSE and Vocational Exam Timetable for Summer 2026 is now available on our school website. Please follow the below link where you will find an overview of the timetable (a detailed version including exam board, code and duration is also available) plus some important information that candidates must be aware of.

<https://www.petersfieldschool.com/about/results-and-exam-information/>

Further information will be shared in due course but please note there will be no formal study leave and students will be expected to attend school until they have completed their final exam.

Examination dates are set nationally and it is imperative students attend each exam – there will be no opportunity to sit any missed exams.

In the event of any sustained national or significant local disruption during the examination period, awarding bodies have designated Wednesday 24 June 2026 as the 'Contingency Day' for examinations and therefore students must remain available until this date.

Molly has done a fantastic job on her first Year 10 GCSE Art project! Taking inspiration from the tropical foliage at Kew Gardens, she created a beautiful body of work centred on Natural Forms. While Molly is skilled in many areas, her love for textiles really shines through in her use of machine embroidery and appliqué. Great start to the course, Molly!

Top Tips for... MANAGING SCREEN TIME

According to the latest stats, people aged between 8 and 17 spend four hours on digital devices during an average day. Obviously, a new year is ideal for fresh starts and renewed efforts – so lots of families are trying to cut down their combined screen time right now, creating more moments to connect with each other and relying less on gadgets to have fun. Our top tips on reducing screen time are for everyone, so you can get your whole family involved in turning over a new leaf this year!

GET OUT AND ABOUT

If the weather's decent, spend some time in the garden or go for a walk. Even a stroll to the local shop would do: the main thing is getting some fresh air and a break from your screen.

TRY A TIMED TRIAL

When you're taking a screen break to do a different activity or a chore, turn it into a game by setting yourself a timer. Can you complete your task before the alarm goes off?

GO DIGITAL DETOX

Challenge yourself and your family to take time off from screens, finding other things to do. You could start off with half a day, then build up to a full day or even an entire weekend.

LEAD BY EXAMPLE

Let your family see you successfully managing your own screen time. You'll be showing them the way, and it might stop some of those grumbles when you do want to go online.

AGREE TECH-FREE ZONES

Nominate some spots at home where devices aren't allowed. Anywhere your family gathers together, like at the table or in the living room, could become a 'no phone zone'.

HOLD A SCREEN TIME AMNESTY

As a family, agree specific windows when it's OK to use devices. This should help everyone to balance time on phones or gaming with enjoying quality moments together.

BE MINDFUL OF TIME

Stay aware of how long you've been on your device for. Controlling how much time you spend in potentially stressful areas of the internet – like social media platforms – can also boost your wellbeing.

'PARK' PHONES OVERNIGHT

Set up an overnight charging station for everyone's devices – preferably away from bedrooms. That means less temptation for late-night scrolling.

SWITCH ON DND

Research shows that micro-distractions like message alerts and push notifications can chip away at our concentration levels. Put devices on 'do not disturb' until you're less busy.

TAKE A FAMILY TECH BREAK

Set aside certain times when the whole family puts their gadgets away and enjoys an activity together: playing a board game, going for a walk or just having a chat.

SOCIALISE WITHOUT SCREENS

When you're with friends, try not to automatically involve phones, TVs or other tech. Having company can be loads more fun if your attention isn't being split.

WIND DOWN PROPERLY

Try staying off phones, consoles, tablets and so on just before you go to sleep. Reading or just getting comfy in bed for a while can give you a much more restful night.

Year 7 Basketball vs Yateley

Monday 9 February

Year 9 Havant Federation Football League

TPS 1 - 3 Purbrook

Again another week of wet soggy weather with high winds didn't dampen the spirits of our Year 9 football team who travelled to HTC to face Purbrook.

The boys worked hard against the strong winds but Purbrook took early control of the game creating multiple chances but failing to hit the target with most of them. Purbrook did break the deadlock and despite the resilient TPS defending they conceded a second shortly after. TPS got themselves back into the game with an excellent solo goal from Max before Purbrook sealed the win with a third goal.

Year 10 Rugby vs Oaklands

Tuesday 10 February

Year 7 Football in Chichester Federation League

TPS vs Bourne

Year 10 Netball @ Portsmouth High School

Year 9 Netball vs St Edmunds

TPS 28-9 St Edmunds

A slightly changed TPS team took on St Edmunds in a friendly fixture on Tuesday at TPS. The girls were excellent in attack and created multiple scoring opportunities. The partnership between Freya and Florence started to find excellent form just before the end of the first quarter.

A slight change in positions for the girls over the next quarter still saw TPS in control of the game and it was great to see players learning about different positions. In a slightly more recognised formation for the final quarter, TPS professionally finished off the game with some excellent pressure high up the court and ran out worthy winners.

Wednesday 11 February

Year 10 Football Havant Federation League

TPS 5-5 Purbrook

Another fixture where the weather was to prove a pivotal factor in momentum and eventually the end result of the game. The boys started well with Oscar, Ben and Zavi controlling the midfield. A fantastic solo effort from Oscar saw TPS take the lead. The score was then to be doubled after Adam bundled the ball over the line from a cross to make it 2-0. After two more clinical finishes, TPS saw themselves end the half 4-0 up.

It was at this point the tides turned in Purbrook's favour, one goal then brought another before TPS thought they had sealed the win with a great finish from Adam to make it 5-2. This didn't phase Purbrook and they continued to fight. Soon it was 5-3, 5-4 before they equalised with a good finish from long range. Both teams worked hard to try and win it but in the end 2 completely different halves ended as a draw.

Year 10 Pre Regional Handball Finals

TPS B 5-1 Toynbee

TPS A 8-0 TPS B

Congratulations to our Year 10 Girls Handball Team who have qualified for the Regional Handball Finals for the second year running.

The girls teams were excellent today, with some key players missing and limited substitutions available the girls worked hard against a tall Toynbee team.

TPS B team took to the caught, despite a low scoring first half TPS lead 1-0. Goals from Freya and Olive steadied the nerves before Freya sealed the win with two more goals scoring her hat-trick. Excellent performances from all the girls in the team made it very difficult for TPS to be broken down.

TPS A team played with pace, power and direction. Scoring a variety of different goals around the court, the girls worked well with each other to find gaps and were clinical when they managed to break the line. The girls will now travel to Bournemouth for the Regional Finals at the end of April, with the hope of reaching the National Finals.

And Finally...

We have recently uncovered a Team TPS archive of old photos and press cuttings. Over the next few months we would like to share some of these wonderful memories with you .

This week: The Opening of the TPS Studio 2005

The Opening of the TPS Studio!

TPS welcomed actress Prunella Scales and her actor son Samuel West to the unveiling of the brand new state of the art £1 million performing arts studio.

The opening was the culmination of more than eight years of hard work and planning by governors and staff. The project was part funded by the TPS Appeal Trust which raised £50,000 through parent donations.

The Studio continues to be used by the school, the wider Petersfield community and local businesses.

Enter our
Super Draw
Win a Luxury City Break! .

OR £1,000 CASH PRIZE

Three photographs of famous European cities are shown, each pinned with a red pushpin. The top photo shows a night view of Florence, Italy, with the Duomo illuminated. The bottom left photo shows the Sagrada Família in Barcelona, Spain. The bottom right photo shows a street scene in London, featuring a red telephone booth and Big Ben.

February's Super Draw brings back a firm favourite - and this month one of our supporters could **win a Luxury City Break worth £1,000** (or £1,000 cash!) Whether you want to hit the West End for a weekend, see the architecture and nightlife of Barcelona, sample the art and food of Florence, or soak up the culture in Paris, this prize is simply not to be missed!

Or why not invite friends and family using the new **Refer a Friend** process? For every person that signs up, they'll BOTH get an entry into the **exclusive £200 prize draw!**
