We are pleased to invite your child to participate in Summer Explorers @TPS from **Monday 27th July to Friday 31st July 2026.**

Teachers across our faculties will be leading a range of exciting activities designed to ease the transition process, encourage friendships, and ignite an enthusiasm of learning. Just a few examples of the sessions being run include academic and bush craft activities, science investigations, multi-sports, code breaking and team building activities. Here are some highlights from the fun we had at a recent Summer Explorers:

WHATS INVOLVED

Activities will be run on a carousel throughout each day. The sessions are intended to give students the chance to meet members of their year group from other schools. Students will get to know some of the staff at TPS, familiarise themselves with the school site, develop confidence, and foster skills that will make learning at TPS easier, and more enjoyable.

We make every effort to run the activities in Tutor groups, and each day will run from 8.50am-3.00pm. Registration will be between 8.30-8.45am on the school field if the weather is dry, or under the main hall canopy if wet, where pupils will be greeted by a member of staff and the peer mentors and looked after until the start of the first session.
One of our sessions will be run by the Kings Arms Youth Centre team. For this session, our students will be heading over to the Kings Arms Community Centre which is a five minute walk away. Our students will be accompanied by a TPS staff member at all times.

Students will need to bring:

- A packed lunch
- Appropriate clothing for outdoor and sports activities (no jeans for sports, etc.)

• Sun lotion and a hat if sunny, wet weather jacket if raining
• Optional picnic blanket to sit on during breaktime and lunch time

We ask parents pay £35 per day. If you book your child in for the full week before midnight on Monday 29th June 2026, the price will be reduced to £30 per day, at a total cost of £150 for the whole week.
