Welcome

from Ms Joyce,

Assistant Headteacher and

SENDCo

I am delighted to introduce this week's edition with an update on the upcoming ERA Week (29 June- 3 July)—a week designed to inspire every young person to Enjoy, Respect, Achieve by becoming a true game changer. Pupils will step outside their comfort zones, explore new passions and develop the confidence to be the very best versions of themselves.

With over 1000 students taking part in offsite visits in one week, our students will experience learning in its most dynamic form. Year 10s will have their off school site visits over two weeks, including their first opportunities to experience college life next week, followed by work experience during ERA week itself.

For Years 7 through to 9, students will be travelling to a range of places across the south of England and central London on day trips to inspirational iconic destinations or on residential camps that foster team work and collaboration. Some students will be travelling to Europe or China as part of their game changing experiences.

Back in school, the excitement continues with a wide range of creative and collaborative challenges. Students may be mastering circus skills, cracking codes, geocaching, going on local walks, participating in science fairs, focusing on being positive citizens or engaging in imaginative writing projects to name just a few of the in school offers.

More details of what each year group will be doing is under each year group section of this edition. Trip leaders will be sending any final details about the trips they are running directly to you, so look out for communication early next week, if not sent already.

The weather forecast looks good and we look forward to an exciting week of memorable moments.

Due to the predicted hot weather, blazers are not required in school on Monday.

Students should ensure that they have still have their lunch card and pens/pencils in their bags.

Introducing the New TPS Senior Prefect Team

This week we held our annual Senior Prefect Team handover ceremony, where the new team were presented their ties by the outgoing team. This followed a rigorous selection process over the last 3 weeks from a very strong pool of applicants, with 65 candidates being interviewed.

All of the students who put themselves forward were fantastic. As a school, we feel incredibly fortunate to have such amazing young people in our community.

We are delighted to confirm the TPS Senior Prefect Team 2026/27:

Head Boy - Ted R Head Girl - Eve L

Deputy Head Boys - Henri B, Jacob O, Edward R, Hunter S and Jonah P

Deputy Head Girls - Lily C, Elizabeth F, Isla W, Lily M, Robyn B and Phoebe C

Money, mayhem and the beautiful game

Is football in a battle for its soul? The 2026 World Cup begins today, but some believe that money and politics are more important to the organisers than what happens on the pitch.

This week's TPS Talks sees our students debating whether football has lost its values to money, politics and power, or whether football still remains a force that unites people and promotes inclusivity through a shared love of the game.

This debate follows the controversy around Somali referee, Omar Artan, being denied entry to the USA.

Ocean Youth Trust

Last week 14 students from Y7 and 9 undertook the Ocean Youth Trust trip around the Solent.

We learnt how to put sails up, navigate the boat and how to live as a crew.

The weather was quite rough but we managed to sail to Cowes, Limington and back to Ocean Village in Southampton.

On our day off sailing, we learnt about knots, winds and sails as well as played catch the flag in a park.

It was a wonderful experience and everyone came back with a better knowledge about sailing.

TPS Performing Arts Student Success

Eva A, one of our talented Year 9 Performing Arts students has been given an amazing opportunity to join the *International All Stars* group for the Junior Theatre International Festival in Atlanta 2027. Only 30 students worldwide aged between 14-18 were selected out of thousands around the world and Eva is one of only 3 from the UK. The *All Stars* group will go to New York to learn and perform a musical theatre piece in Broadway studios to industry professional, and then on to Atlanta for the for the 3-day festival in January 2027.

“In order to finance the trip, I have started a fundraiser on GoFundMe, and it would mean so much if you could take a look. Any help, donating or sharing, gets me closer to my goal. Please click on my GoFundMe page or the below QR code. Thank you in advance for your kindness and support.” – Eva.

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many issues which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

Tips for Encouraging Open Discussions about DIGITAL LIVES

The online world is an entirely familiar and commonplace part of life for today's children and young people, far more so than for previous generations. There are many positives to children being able to access online materials, so it's important not to demonise the internet, games and apps, and limit the benefit of their positive aspects. At the same time, we do have a responsibility to educate children about the hazards they may encounter online (just as we would about real-world dangers) so it's essential that we don't shy away from talking to them about the complex – and often sensitive – subject of what they do and what they see when they're online.

Here are some suggestions for kicking off conversations with your child about their digital life...

MAKE YOUR INTEREST CLEAR

Showing enthusiasm when you broach the subject signals to your child that you're keen to learn about the positives of their online world. Most children enjoy educating adults and will happily chat about what they use the internet for, or what games and apps they're into and how these work. Asking to see their favourite games and apps in action could help you spot any aspects that may need your attention – such as chat functions which might require a settings adjustment to limit contact with strangers. Keep listening even if your child pauses for a long time: they could be considering how to phrase something specific, or they may be gauging your reaction.

BE OPEN AND HONEST, APPROPRIATE TO THEIR AGE

At various stages, children and young people become curious about puberty and how their body changes, about relationships, about how babies are made, and about sexual health. If your child knows that they can discuss these sensitive subjects with you, they tend to be less likely to go looking online for answers – which can often provide them with misleading information and, in some cases, lead to them consuming harmful content. Don't worry if you don't immediately know the answers to their questions – just find out for yourself and go back to them once you have the facts.

REMAND YOUR CHILD THEY CAN ALWAYS TALK TO YOU

In my role I work with many children and young people who admit being reluctant to tell a trusted adult about harmful content they've viewed online, in case it leads to having their devices confiscated. Emphasise to your child that you're always there to listen and help; reassure them that if they do view harmful content, then they are not to blame – but talking about it openly will help. Children shouldn't be expected to be resilient against abuse or feel that it's their job to prevent it.

KEEP TALKING!

The most valuable advice we can give is to keep talking with your child about their digital lives. You could try using everyday situations to ask questions about their online experiences.

DISCUSS THAT NOT EVERYTHING WE SEE ONLINE IS REAL

Here, you could give examples from your own digital life of the online world versus reality – for example, those Instagram posts which show the perfect house: spotlessly clean, never messy and immaculately decorated. Explain to your child that there are many other aspects of the online world which are also deliberately presented in an unrealistic way for effect – such as someone's relationship, their body, having perfect skin and so on.

TRY TO REMAIN CALM

As much as possible, try to stay calm even if your child tells you about an online experience that makes you feel angry or fearful. Our immediate emotions frequently influence the way we talk, so it's possible that your initial reaction as a parent or carer could deter a child from speaking openly about what they've seen. Give yourself time to consider the right approach, and perhaps speak with other family members or school staff while you are considering your next steps.

CREATE A 'FAMILY AGREEMENT'

Involving your whole household in coming up with a family agreement about device use can be immensely beneficial. You could discuss when (and for how long) it's OK to use phones, tablets, consoles and so on at home; what parental controls are for and why they're important; and why it's good to talk to each other about things we've seen or experienced online (both good and bad). Explaining your reasoning will help children to understand that, as trusted adults, we want to make sure they are well informed and kept safe. Allowing children to have their say when coming up with your family agreement also makes them far more likely to stick to it in the long term.

BET Legacy 2026

All 9 BET schools came together for our third annual BET Legacy Competition hosted at Liphook, and it proved to be an excellent day of teamwork and sport. Twelve students from each year group, Years 7–10, represented the school and competed across a wide range of activities.

Throughout the day, students took part in Rounders, Tennis, Badminton, Long Jump, Shot Putt, Spikeball, Ultimate Frisbee, the 1500m run and Tug of War. It was fantastic to see all students come together and have support for one another across all events.

Our students performed exceptionally well, demonstrating both skill and resilience. The year group results were as follows:

Year 7 - 1st place

Year 8 - 2nd place

Year 9 - 3rd place

Year 10 - 1st place

Overall, this placed us 2nd out of 9 BET schools which is fantastic achievement.

Well done to all students who represented their year groups, you should be extremely proud of your performances and the way you conducted yourselves throughout the day.

Celebrating Our NFL Flag Teams on the National Stage!

This week, our U15 boys and U15 girls NFL Flag squads travelled to Manchester to compete in the **NFL Flag National Finals**, proudly representing not only our school but the **entire Southeast England region**. Reaching this level alone is an extraordinary accomplishment, only a handful of schools nationwide earn the right to compete on this stage.

The girls opened their campaign with a commanding win, setting the tone for a strong tournament run that carried them all the way to the quarter finals. They finished as the **No. 6 team in the UK**, placing them firmly among the very best school teams in the country. The boys fought through a thrilling opener against a talented Scottish side and battled their way through the play-offs to secure a brilliant **No. 10 national ranking**.

These results are more than numbers, they are recognition of months of dedication, teamwork and resilience. From intense training sessions to leadership at regionals and nationals, from coaching plays to calling attacking tactics and lifting each other up, every player has contributed to something truly special.

And as if the day wasn't special enough, our players had the unforgettable opportunity to meet **ex-NFL stars Jason Bell and Efe Obada**, along with presenters from **Sky Sports**. One presenter even spent the day coaching and supporting our girls, and took the time to speak with staff about the raw talent and huge potential these girls possess. Moments like this don't just inspire; they validate the incredible level our athletes are performing at.

To stand on the national stage and be recognised as one of the **top NFL Flag schools in the UK** is an achievement our whole community can celebrate. We are incredibly proud of every single player who has been part of this journey.

Congratulations to all involved, what a moment for our school, our region and our teams. And yes... **we go again next year!**

Year 8 Girls County Cup Knights and Stokes Semi Final

TPS vs Priestlands

The girls were super excited about reaching the semi final of the county cup. Playing against a strong opposition from Priestlands the girls bowled well in patches but unfortunately the extra column started to total up, leaving the girls the task of chasing down a strong total from the opposition.

TPS had a difficult start finding themselves 14-4, an excellent innings by Perrie and Isabelle steadied the innings putting on a 90 run partnership but unfortunately it wasn't quite enough and Priestlands ran out deserved winners.

Year 7 Boys County Cup Plate Cricket

TPS vs Embley

Tuesday 16th June

Year 10 Boys Chichester District League vs Midhurst

An excellent innings from Midhurst gave TPS a huge total to chase down. Unfortunately wickets began to tumble for TPS. Despite some resilience from Finley, TPS were left quite a few runs short when the last batter got out.

Year 8 Girls Cricket vs Chichester Free School

Wednesday 17th June

Year 8 Girls ECB Chance to Shine Softball Festival

Congratulations to our year 8 girls cricket team who have become the first TPS girls cricket team to go on to represent Hampshire at the ECB Chance to Shine Pre Regional Finals.

The girls were unbeaten in the group stages after wins against Thornden and St Annes, a 1 run win against Hounslow was enough to see them through to the Semi Finals against Testbourne. An excellent bowling display from TPS kept an excellent run cushion and in the end saw TPS through to the final to face Mondays opponents Priestlands.

Unfortunately the gold medal was not to be for TPS but they will now look forward to joining Priestlands in representing Hampshire on 6th July.

Thursday 18th June

Year 10 Girls ECB Chance to Shine Softball Festival

Congratulations to our year 10 girls who won their group stage in this weeks softball cricket festival. TPS played exceptionally well, particularly with the bat scoring some excellent totals against Deer Park and Perins. The girls backed this up with a good bowling display as well in both games to book their place in the Semi Finals. Unfortunately Toynbee proved to be too strong for the girls and ran out comfortable winners. In the 3rd/4th place play off, TPS tried to chase down Thorndens total of 93, despite an excellent display from Olive, TPS fell just short of the run chase and finished 4th in the county overall.

WATER SAFETY

Stay safe. Have fun. Enjoy the water. ♡

DROWNING IS
ONE OF THE
LEADING CAUSES
OF ACCIDENTAL
DEATH IN CHILDREN
IN THE UK.

**MOST INCIDENTS
ARE PREVENTABLE.**

As the weather warms up, children and young people spend more time around water – at home, on days out or on holiday. Let's keep them safe.

Almost half of drownings occur during the summer months when temperatures are higher – especially when 25°C or above.

THE HSCP WATER SAFETY TOOLKIT FOR PARENTS & CARERS INCLUDES:

EVERYDAY RISKS AT HOME

Including bath time safety and garden hazards.

STAYING SAFE OUTDOORS

Such as the beach, around rivers and in open water.

PRACTICAL SAFETY ADVICE

Including the Water Safety Code and how to "Float to Live".

AGE-SPECIFIC GUIDANCE

For babies, young children, older children and teenagers.

WHAT TO DO IN AN EMERGENCY

Including simple first aid steps and where to find further support.

Small actions,
big difference ♡

- ✓ Keep children within arm's reach of water.
- ✓ Choose safe places to swim.
- ✓ Talk to your children about water safety.

Together, we can help prevent tragedies and keep our children safe this summer.
