Exam clashes

If you have more than one exam scheduled at the same time, we will discuss and confirm the arrangements for the timings in which the exams will take place on that day.

Individual timetables

Students will be given an individual timetable, detailing the dates and times of their exams, in advance of the examination period.

Contingency day

*** *The awarding bodies have designated **Wednesday 23 June 2027** as the ‘contingency day’ for examinations. This is consistent with the qualification regulators’ document Exam system contingency plan: England, Wales and Northern Ireland: <http://gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland>

The designation of ‘contingency days’ within the common timetable is in the event of national or significant local disruption to examinations in the United Kingdom. It is part of the awarding bodies’ standard contingency planning for examinations. Centres must therefore remind candidates that they **must** remain available until Wednesday 23 June should an awarding body need to invoke its contingency plan.
