

Team TPS Weekly

Friday 10 July 2026

Welcome from The TPS Governors

My name is Mike Robinson and I am the chair of the board of governors here at TPS, one of a group of volunteers who provide oversight of the school's leaders, focusing on strategy, policies and budgeting.

We are often described as "critical friends" to the headteacher; supporting Mr Marande and his senior team, and asking questions that challenge their plans and ensuring they are put into practice and achieve the intended results. Our role is to know, and sometimes help shape, how the school's strategies help each student prepare for their future and achieve their potential, while treating them as individuals and making sure they enjoy their time here.

What continues to impress us is the commitment we see from every member of the staff and the careful thought that goes into every aspect of school life, from lessons to sports and the broader extracurricular activities. We see clearly how terms like "Game Changers" are not just slogans - they are the philosophical underpinnings of every decision.

We are delighted to be members of Team TPS and will continue to do all we can to make this the best school it can be, one that everyone will be proud to be part of and which the next generation will want to join.

Television: bringing families together... or causing problems?

Is television a good thing for society?

As part of this year's TPS anniversary celebrations, students imagined stepping back in time to 1958 - the year TPS was founded - to explore and debate whether television is a positive influence on society.

[2026/07/TPS-Talks-Year-1958.pdf](#)

Mr Newton's Funeral Arrangements

The family of Rob Newton have asked us to share the details of his funeral with the wider school community.

The funeral will take place at The Oaks Crematorium Havant on Thursday 16 July at 3.30pm

If you and your child would like to attend, please contact Mrs Tavinor, our Attendance Officer, to arrange authorised absence for period 6 and an early sign out from school.

BE KIND, PARK WITH OTHERS IN MIND

#selfishparking

TPS | The Petersfield School

- ✓ RESPECT OTHERS
- ✓ THINK BEFORE YOU PARK
- ✓ DON'T BE SELFISH

Please only drop off or collect your child from the Tesco/Petersfield Town Council Causeway Car Park.

We ask that you respect our neighbours by not blocking their driveways or waiting with engines running on Cranford Road and surrounding residential areas.

It is also an offense in the Highway Code to wait, stop or park on the 'School Keep Clear' yellow zigzag lines.

Thank you for your co-operation to ensure the safety of everyone in our community.

TPS Fest Highlights

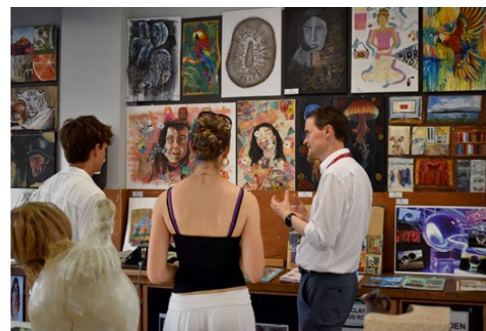

TPS Fest was a fantastic evening of dance, drama and music on the Main Festival Stage, with the Visual Arts Exhibition taking place in the Art Department.

With over 100 students involved, supported by an army of staff, we hosted parents and friends on this glorious summer evening.

Our raffle, supported by the Petersfield Community, also proved popular.

Thank you to everyone involved!

enjoy respect achieve

12,608 ERAs for the whole school this week!

Year 7

ERA WEEK 2026 Highlights

Andrew Simpson Sailing

Last week we took a group of Year 7 students to the Andrew Simpson Centre in Portsmouth. The students took part in kayaking plus games and activities on paddle boards. After lunch the students enjoyed some archery and climbing. The students showed great team work and resilience throughout the day; we were super proud of them, and all they achieved.

Dance-A-Thon

Don't forget to donate: <https://localgiving.org/fundraising/TP-Danceathon-2026>

Over £2,000 has already been raised for The University Hospital Southampton Paediatric Neurosurgery Department and Robbie's Rehab.

Year 8

Translation Bee

This term, Year 8 students took part in a Translation Bee competition.

Students had to memorise 25 sentences and translate them randomly within 1 minute.

Each class winner competed against each other, and the results were fantastic.

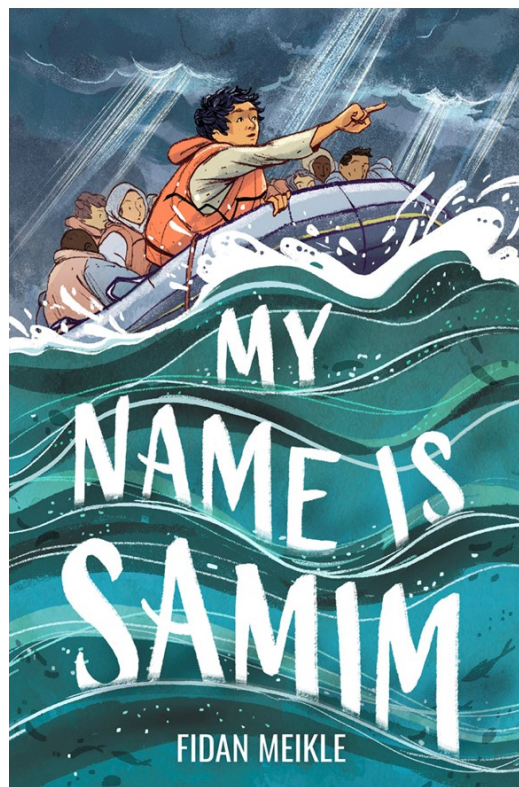

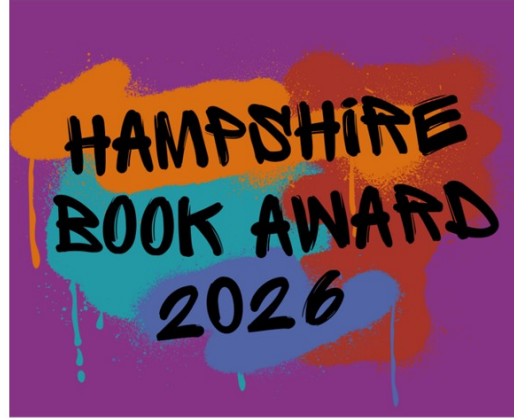

Wiktor J won the Spanish “battle” and Lyra A won the French one!

Runner-ups were Amy V and Wilbur B

3rd place went to Lawrence R and Henry B

The other finalists were Alice H, Evie-Rose L, Jamie E, Gare B, Will B, Mia C, Joseph D, Anas E, Amalie H and Ruth O.

Well done to everyone who took part in the competition!

Since March, a dedicated group of Year 8 students has been immersed in reading and discussing the four books shortlisted for the Hampshire Book Award 2026. Throughout the process, they carefully considered each title, evaluating them for engagement, enjoyment and enrichment before selecting their overall favourite.

On 30 June, the final discussions and vote was held at four hubs across Hampshire. Three members of our judging panel proudly represented TPS at our regions debate, joining students from ten other schools at Park Community School to champion their chosen book. They spoke with confidence, shared thoughtful insights and demonstrated a real passion for reading, in a lively discussion.

The winning book is *My Name is Samim* by Fidan Meikle

We are incredibly proud of all our judges for their commitment, enthusiasm and excellent discussions. Well done!

ERA WEEK 2026 Highlights

Bushcraft Camp

Last week 150 Year 8 students had a fantastic time at camp in Buckinghamshire.

The aim of this camp was to learn bushcraft skills. The students learnt to light fires using various methods, build shelters in the wild, first aid, camouflage and concealment, food preparation and much more. They also enjoyed traditional camp experiences such as marshmallow toasting.

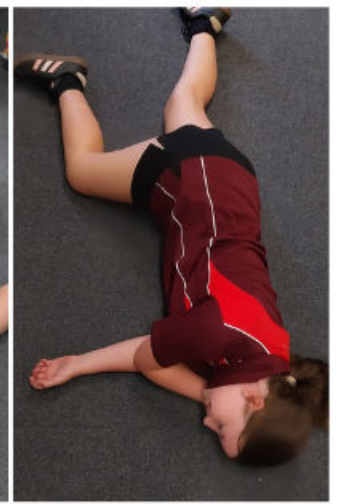

We even managed to acquire use of one of the estates barns to screen the England vs Congo game. Thank you to all the students and staff who came along and made it such a great experience.

Gamechanger Day

On-site gamechanger activities included First Aid training, yoga, and physical challenges. The sun shone all week and our students had a fantastic time!

Year 9

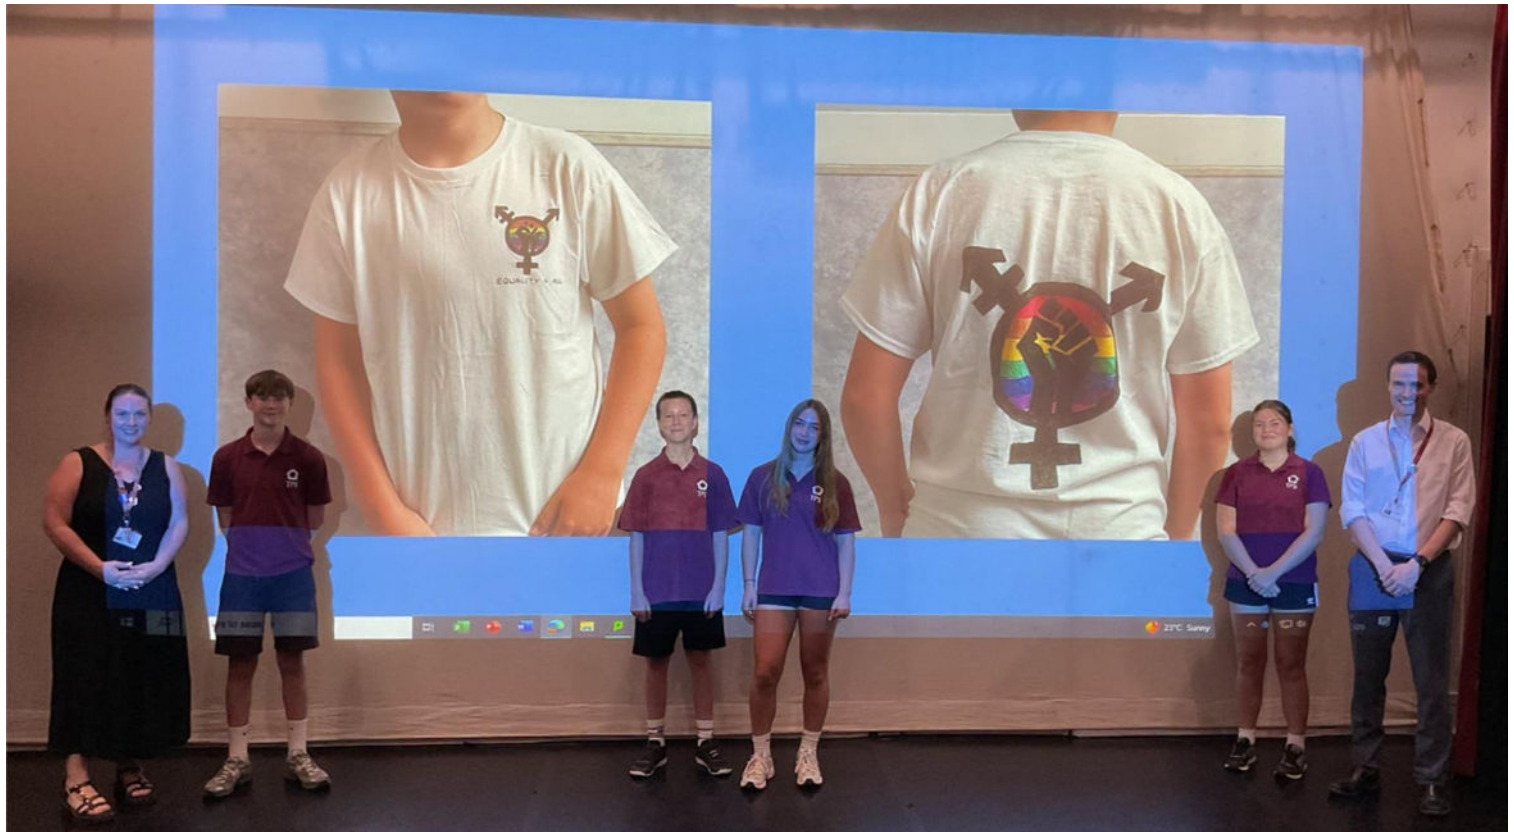

ERA WEEK 2026 Highlights

TPS Does The Apprentice

As part of Game Changer Day, our Year 9 students took on an Apprentice-style T-shirt design challenge based on the theme "Change Starts With Me." Working in teams, pupils created their own brands to champion a social or environmental cause before pitching their ideas to a panel of judges.

We are incredibly proud of every Year 9 student that took part. The presenting skills, teamwork, creativity and genuine passion for making a positive difference shone throughout the day. Well done to everyone involved.

Year 10

ERA WEEK 2026 Highlights

Work Experience Week

Well done to Year 10 for being such great ambassadors for the school during Work Experience Week.

Zuri worked at the Jing Institute in Brighton, helping with admin and events for their summer intensive course.

Eddie was working with Portsmouth University's Institute for Marine Science. They were tagging fish in the Solent as part of a research programme.

Emma L spent her work experience at Chichester Harbour Conservancy. Please click on the link to read her blog detailing her experience, which was posted on their website. It didn't cover Friday however, as she spent the day on board the Harbour Master's RIB and they had to put on the blue lights to caution a boat for speeding!

<https://www.conservancy.co.uk/work-experience-july26/>

Here is the link for any students who would like to apply in the future:

<https://www.conservancy.co.uk/jobs/work-experience-placements-for-under-18s/>

Sienna spent the week discovering all about Programme Management and Cyber Security for RWS, a global language translation company. She also did some corporate volunteering with RWS.

She was so successful that they asked her to come back this summer and learn more about the other departments!

Olivia did her work experience at the Yvonne Arnaud Theatre in Guildford, which was organised by TPS Alumni Charlie Essex! She learnt about all the different careers available in the theatre other than performing on stage.

Hunter was lucky enough to have his placement in Italy on a photo shoot. He got to fly drones and learn about editing.

Maths Challenge

Well done to the our Year 10 mathematicians who had fantastic success in the Peter Symonds Maths Challenge earlier this week. Joining with Herne Junior School, two teams took part against other schools in the area in a mathematical challenge set by Peter Symonds College. Very please to say that our two teams finished 1st and 3rd place – lots of compliments regards the level of maths shown.

TPS - Spotlight

MEP Trip to China

The Year 9 MEP students are thoroughly enjoying their time at the Chengdu University campus, where they have been fully immersing themselves in Chinese language, culture and university life.

A particular highlight of the trip so far has been visiting the world-famous Panda Sanctuary, alongside opportunities to work with Chinese students and experience authentic Sichuan cuisine.

Well Done Charlie!

Charlie H attended the 2026 Optimist World Championships in Tangier, Morocco!

Competing against 284 sailors from 73 nations as part of the British Optimist Team, Charlie finished a brilliant 42nd overall, helping Great Britain secure 4th place in the national team standings and nations cup. This is a strong accomplishment and a testament to Charlie's talent, dedication and hard work. We are incredibly proud of him!

Whilst he is in Year 8, in the Optimist fleet, he competes against other sailors who are in Years 9 and 10, including plenty of 15 year olds!

ROBLOX
Powering Imagination

According to the Roblox website, 'Roblox is the world's largest interactive social platform for play.' For those of you who are unfamiliar with the game, it is a multi-player online gaming platform which allows children to play and create a variety of games in a 3D world. Roblox is free to play and available on all modern smartphones, tablets, desktops, Xbox One, Oculus Rift, and HTC Vive.

AGE RESTRICTION
13+

What parents need to know about **ROBLOX**

ROBLOX STUDIO

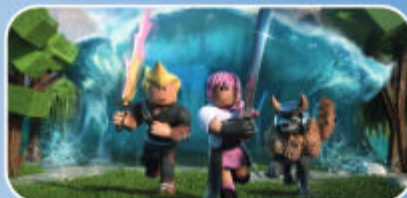

The Roblox Studio allows users to create their own games and 'worlds' for others to play on the platform. As the games are user generated, it gives users the freedom to potentially include things you do not want your child to be exposed to, for example, weapons, violence and even pornographic content. There are no age restrictions on the games created in the Roblox Studio and to remove games from the platform Roblox relies on people reporting negative/violent content.

CHATTING & FRIEND REQUESTS

Whilst the games in Roblox are aimed at 8 to 18-year-olds, there are currently no age restrictions for signing up. This means that both adults and young people can play and communicate with each other and send friend requests through the platform. Once a friend request is accepted, this means that they can communicate with each other outside of gameplay.

ROBUX ONLINE PAYMENTS

When a user creates a game, they earn something called 'Robux', which works as a currency within the platform and enables the purchase of upgrades and memberships. If the created game is of good quality and attracts multiple players and in-game adverts, children have the ability to earn a lot of 'Robux'. Once a user has earned a certain amount of Robux, they can convert this to real cash and withdraw it to a PayPal account. To withdraw money, users need to be over 13, have a PayPal account and have paid for the Roblox premium subscription.

**National
Online
Safety**

Top Tips for Parents

ALERT!

Tell your children to be careful and to think twice before they click any random advert or popup. There are a lot of phishing scams that advertise free Robux etc. with the intent of stealing your child's personal information.

UNLIST SOCIAL MEDIA ACCOUNTS

Make sure your child's social media accounts are not listed in the settings/account information. If they are, advise them to set them to private or remove them from their account. This will ensure that nobody will be able to find and contact them on their social media platforms outside of Roblox.

CHECK SHARED INFORMATION

In the account settings, check that your child is not giving away any personal information in their bio/profile. For example, their full name, phone number or snapchat name. If you see that they have, explain why this is potentially dangerous and remove immediately.

2-STEP VERIFICATION

Roblox has a great two-step verification security feature which we recommend you enable to add an extra layer of security to your child's account.

HAVE A CHAT ABOUT 'GRIEFING'

Griefing is when someone purposely upsets another player in a game. This can be done by setting traps, damaging or stealing something from another player, intentionally killing them and generally doing something in the game to spoil their gameplay. Essentially, 'Griefing' is a form of cyberbullying and can be extremely frustrating and upsetting for players.

RESTRICT PAYMENT METHODS

Roblox is a free to play game, but there are still options to make additional in-game purchases. If you do not want your child to make payments, ensure your card is not associated with their account. If you are happy for your child to make payments in the game, but want to restrict spending, we suggest using a games console gift card. These can be purchased in specific amounts, which will enable you to restrict how much your child spends and removes the need for a credit/debit card to be used with their account.

DISABLE IN-GAME CHAT

Roblox is great for children to play together and chat to each other. However, if you want to completely turn off in-game chat for your child (meaning they cannot contact anyone, including their friends) you can do so by following these steps: When logged in, go to the Account Settings page by clicking on the gear icon at the top right corner of the page, then click Settings. Next, click on the Privacy tab and under 'Who can chat with me in game?' select 'No one' and this will disable in-game chat.

IS YOUR CHILD UNDER 13?

Unfortunately, there are hundreds of YouTube videos showing children how to change their age settings on Roblox, so firstly, you should talk to your child to set up some rules/an agreement. There are additional safety features for children under 13, for example having their posts and chats filtered for inappropriate content and behaviour, so it is worth checking that your child has set up their account with the correct age. You can find this in their account settings.

Monday 6th July

Year 10 Boys Cricket vs Bishop Luffa

Year 8 Girls Cricket Regional Finals

Year 10 Girls Volleyball

TP 0-3 Swanmore

TPS were back on the court again at Swanmore for their final volleyball game of the season. Both schools have seen an increase in girls participation at club this year and it was great to have a final game before the summer break. Each set was closely contested with only a couple of points the difference between each team. An excellent performance from Effie helped give the team a huge boost but unfortunately the last few points in each set favoured Swanmore. We look forward to the county championships starting again in September.

Tuesday 7th July

Year 10 Girls Cricket vs Chi High School

Year 7 and 8 Athletics Thursday 10th July

Year 8 Boys Cricket @ Chi High School

Year 9 Boys Softball vs Swanmore @ Home

TPS 17-20 Swanmore

Well done to our year 9 boys softball team who played the first competitive fixture at TPS this week. It was great to see some new faces representing TPS at school sports as well. The game was played over 6 innings where TPS lead for most of it. Taking a 4 run lead into the final innings TPS were in the driving seat, however with bases loaded the Swanmore batsmen hit a long ball out into the outfield scoring 5 points off the final play of the game. An excellent game with some awesome hits and great catches. It is something that we are looking forward to doing more of next year.

TPS Staff Golf Day

Saturday saw the return of the annual TPS Staff Golf Day, the biggest yet with 20 members of staff playing 36 holes across the day.

The winners of the different awards can be seen below. Well done to everyone, a great day with Team TPS.

ALLERGENS

we're allergy aware!

If you have a food allergy or intolerance, please ask the Allergen Guru or Manager about the ingredients in your meal.

And Finally...

We have recently uncovered a Team TPS archive of old photos and press cuttings. Over the next few months we would like to share some of these wonderful memories with you .

This week: The Big Inquiry 1987

YOUNG POST

THE POST'S BIG INQUIRY GETS UNDER WAY . . .

In 1987 all 700 TPS students were asked to take part in a survey organised by local paper The Petersfield Post.

Students were asked what facilities they would like to see in Petersfield. Overwhelmingly popular with both boys and girls was the idea of an indoor swimming pool, a cinema, and a weekly disco.

Other ideas included a “trendy” clothes shop for girls and an affordable coffee/snack bar for young people where they could sit and chat.

CEOP Education

Supporting you to help protect children and young people from online sexual abuse

Schools and other services may be closed over the summer but help and reporting routes remain available all year round. Students may find the following help and report resource useful:

[Download the resources](#)

Empower parents and carers to talk about online safety with a new series of webinars from Childnet

Created by [Childnet](#) and supported by the [Safeguarding Board for Northern Ireland](#), these webinars give parents and carers real-world support to help recognise and respond to online harms. The six webinars are 15-20 minutes and include practical tips, conversations starters, explanations of terminology and signpost additional support for:

Privacy settings and parental controls

Group chats and peer pressure

Online bullying and sexual harassment

Nude image sharing

Grooming, catfishing and sextortion*

Online pornography and misogyny

Sharing these webinars is made easy by the resources found at the bottom of the page that include a parents and carers email letter.

** Financially motivated sexual extortion is often referred to as 'sextortion'.*

[Find out how to share the webinars](#)

Supporting children and young people with additional needs to have safer and positive online experiences

[Internet Matters](#) Every Child Safe Online hub helps support a child's additional needs – whether they're diagnosed with a specific condition or face barriers online.

The Every Child Safe Online hub supports parents and carers of children with additional needs to help their child have safe, positive and inclusive online experiences. The hub includes activities and resources based on the child's needs, step-by-step advice for parents and carers with concerns, and signposts further support.

[Online hub](#)

WATER SAFETY

Stay safe. Have fun. Enjoy the water. ♡

DROWNING IS ONE OF THE LEADING CAUSES OF ACCIDENTAL DEATH IN CHILDREN IN THE UK.

MOST INCIDENTS ARE PREVENTABLE.

As the weather warms up, children and young people spend more time around water – at home, on days out or on holiday. Let's keep them safe.

Almost half of drownings occur during the summer months when temperatures are higher – especially when 25°C or above.

THE HSCP WATER SAFETY TOOLKIT FOR PARENTS & CARERS INCLUDES:

EVERYDAY RISKS AT HOME

Including bath time safety and garden hazards.

STAYING SAFE OUTDOORS

Such as the beach, around rivers and in open water.

PRACTICAL SAFETY ADVICE

Including the Water Safety Code and how to "Float to Live".

AGE-SPECIFIC GUIDANCE

For babies, young children, older children and teenagers.

WHAT TO DO IN AN EMERGENCY

Including simple first aid steps and where to find further support.

Small actions, big difference ♡

- ✓ Keep children within arm's reach of water.
- ✓ Choose safe places to swim.
- ✓ Talk to your children about water safety.

Together, we can help prevent tragedies and keep our children safe this summer.

For practical advice and resources, download the Water Safety Toolkit:
www.hampshirescp.org.uk/parents-and-carers/water-safety/

Enjoy the water
Stay safe
Look out for each other
