

Team TPS Weekly

Friday 17 July 2026

Welcome from Our New TPS Staff

Introducing our new staff for September 2026.

Mr Jones (Geography), Mr Johnson (Maths), Mrs Riggs (Music), Mrs Cumbers (Cover Coordinator)
Mrs Dragnev (English), Miss Rice (Maths) and Miss Forfar-Jones (English Volunteer)

Communications & Reminders

Don't forget to come in your PE kit and bring sunscreen, a hat and extra water!

Welcome Our New Prefect Team

We are delighted to introduce our new Prefect Team!

Chosen for their commitment, leadership, and positive contribution to school life, these students will play an important role in supporting our community throughout the coming year. We look forward to seeing the enthusiasm, responsibility, and fresh ideas they will bring to their roles.

Congratulations to each of them on this well-deserved achievement.

University of Gamechangers

During the year, KS3 students have been emerging themselves into all of the huge variety of extra curricular offerings at TPS. Students recorded their achievements which were celebrated with a University of Gamechangers graduation ceremony.

We are excited to announce our Children in Need Challenge 2026.

This year we are going to push ourselves even further by trying to conquer the South Downs Way on Friday 17th July-Sunday 19th July.

Previous Years Triumphs:

2024 - 14 Hour Sport-a-thon = £1,235

2025 - Three Peaks Challenge = £2587.50

2026- South Downs Way (104 miles in 3 days) = TBC...

If you would like to donate to the challenge and support a cause close to our hearts, please click on the link below:

<https://pay.collctiv.com/children-in-need-tps-fundraiser...>

Wish us luck!

Great British Summer Savings

Last month the Chancellor announced the *Great British Summer Savings* scheme.

From 25 June to 1 September 2026, the Government is temporarily cutting VAT from 20% to 5% on children's meals in restaurants, children and family tickets to cinemas, theatres, concerts and exhibitions, and admission to a wide range of attractions. Combined with free bus travel during August for children aged 5 to 15 in England, families and young people will be able to enjoy experiences that make summer special, including visits to the kinds of cultural and educational attractions that enrich children's lives outside the classroom.

As part of this campaign, the Government have launched an **attraction finder** website which allows families to type in their postcode and find participating venues near them to make the most of summer savings. To use the attraction finder, please visit <https://summersavings.gov.uk>.

Whole School Summer Reading Challenge

The wait is over - the TPS Whole School Summer Reading Challenge returns!

To support your transition into the next academic year, each year group has a dedicated Summer Reading Challenge Booklet packed with engaging cross-curricular reading recommendations, creative activities and carefully selected vocabulary to help you feel confident and ready for September.

You can find your year group's Summer Reading Challenge Booklet here:

www.petersfieldschool.com/students/literacy-tps/

For every book, text or audiobook you read (or listen to!) this summer, you'll earn ERAs by submitting a short review. The more you read, the more reviews you complete, and the more ERAs you'll collect!

Every ERA earned increases your chances of winning one of our fantastic prizes in the September prize draw.

We encourage all students to spend at least 30 minutes each day reading over the summer and we already can't wait to hear about everything you've read when we return in September.

Have a wonderful summer, and most importantly...

Happy Reading!

Miss R Jones
Literacy Lead

Thank You from Home Start Butser

To the Staff and Students of TPS,

Thank you for choosing to support our charity for a second year in a row. Your generosity and commitment make a real difference. Every time you raise funds and spread awareness, you help provide a vital lifeline to another local family. As we receive no statutory funding, every penny we spend must be raised through the kindness and support of our community. Without people like you, we simply couldn't provide the help that families need. We are truly grateful for your fundraising efforts which brought in over £350 this year.

To read the letter in full please click on the link:

[2026/07/homestart.pdf](https://www.petersfieldschool.com/students/literacy-tps/2026/07/homestart.pdf)

Autumn Term Rail Season Tickets

Autumn term rail season tickets for the period from 7 September to 18 December 2026 are now available on ParentPay. The deadline for payments on ParentPay is the 23 August and you will need to enter your child's date of birth and the number of their valid rail photo ID card to proceed with the order.

If you have not ordered a rail season ticket from school before or your child is joining year 7 in September and you would like to order a rail season ticket then please email fcooper@petersfieldschool.com before the 20 July with your child's name, year group and the station that they will be travelling from and we will make the option available to you.

Welcome to Team TPS!

We were delighted to welcome our new September 2026 Year 7 students to TPS this week.

The students had the opportunity to spend some time in their tutor groups, experience English, Maths, Science and PE lessons, as well as watching a Performing Arts showcase.

They were even treated to musical entertainment at lunchtime. We hope all the students have enjoyed their day and we look forward to welcoming them in September.

Year 7

Well done Year 7 from Mr Lown and Mrs Sutton

As we reach the end of another fantastic school year, we would like to congratulate all of our Year 7 students on the brilliant way they have approached their first year at The Petersfield School.

They have embraced new challenges, built new friendships, developed their independence and resilience, and grown enormously in confidence throughout the year. We are incredibly proud of everything they have achieved, both inside and outside the classroom.

We would also like to extend our sincere thanks to parents and carers for your continued support, encouragement and partnership throughout the year. Your involvement has played a vital role in helping our students settle successfully into secondary school and make the most of every opportunity.

We wish everyone a happy, restful and well-deserved summer break, and we look forward to welcoming all of our students back safely in September as they begin the next exciting chapter of their journey in Year 8.

Well done, Year 7 – enjoy your summer, and we'll see you in September! 🌟

Mr Lown and Mrs Sutton

Celebrating an Amazing Year of Reading!

A huge congratulations to all of our wonderful students for their fantastic effort, commitment and dedication to Reading Plus and Lexia this year! Every session completed, every challenge embraced,

and every milestone achieved has helped them grow into more confident and capable readers.

Collectively, our pupils have read 41,962,399 words across the year in Reading Plus alone - an incredible achievement that reflects their hard work and perseverance. Throughout the year, Year 7 students have made outstanding progress in their reading fluency, speed and comprehension, which in turn has developed their skills and confidence.

We are so proud of everything they have accomplished and would like to thank our parents and carers for your continued encouragement and support at home. Your partnership has played a vital role in supporting your child's progress.

Well done to every one of our Reading Plus and LEXIA stars!

Miss R Jones

Dance-A-Thon

Don't forget to donate: <https://localgiving.org/fundraising/TP-Danceathon-2026>

Over £2.15K has already been raised for The University Hospital Southampton Paediatric Neurosurgery Department and Robbie's Rehab.

Year 8

Well done Year 8 from Miss Snook, Mrs Porter and Mrs Kendrick

As we come to the end of another school year, I want to say how incredibly proud I am of every one of you.

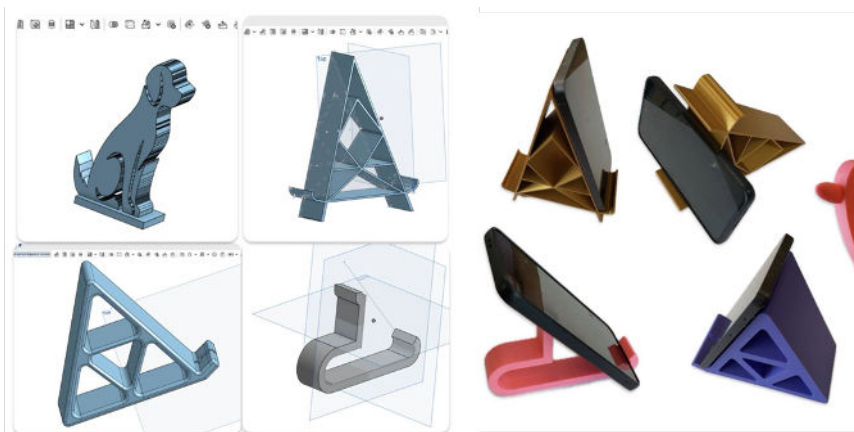

This year has been full of challenges, opportunities and achievements. You have grown not only academically but also as individuals, showing resilience, kindness and determination throughout the year.

As you move into KS4, I encourage you to continue aiming high, believing in yourselves and making the most of every opportunity. Keep working hard, supporting one another and never stop challenging yourselves to be your best. I look forward to seeing all you will achieve in Year 9.

Have a safe, relaxing and well-deserved summer break. I can't wait to welcome you back in September, ready for another successful year.

Well done, Year 8, and have a fantastic summer!

Design and Technology

This term some of our Year 8 Design and Technology students have been developing their CAD skills using Onshape or Tinkercad.

The students had been tasked with generating creative ideas for mobile phone/iPad stands and then drawing their designs on the CAD software. Some of the designs were then selected to be 3D printed with our new printers that were purchased with support from the TPS Appeals Trust. This was a great project where students got to see the 3D printers in use.

Year 9

Well done Year 9 from Mr Jennings and Mrs Taylor

Well, Year 9! We have made it.

You started the year as Year 8s and are finishing as Year 10s. Mrs Taylor and I are exceptionally proud of you all and we hope that you feel just as proud. You have battled through a tumultuous year with grand expectations and have met them at every opportunity. You have demonstrated discipline, accountability, and resilience and have exercised your autonomy. You are all becoming wonderful young adults and have earned a summer to relax.

Mrs Taylor and I are looking forward to seeing what you are all capable of next year - make sure you spend time with loved ones and find time to rest as next year will have even greater challenges to overcome.

Mr Jennings

Alps Adventure 2027

We have new an amazing opportunity a trip at the end of Year 10 for current Year 9s, **open to all students** regardless of GCSE option choice. Please see link to the trip letter below and the video from last year's adventure. Please note the deadline for deposits is **Monday 20 July**.

Alps Adventure 2027

Date	16 th - 22 nd July 2027
Duration	7 days / 6 nights
Cost	£1055
Students	44 - Current Year 9s

Trip Highlights

- Aiguille du Midi (3842m) Cable Car
- Boat trip on Lake Annecy
- Bowling in Albertville Town
- Gorges du Fier
- Mer de Glace Glacier & Montanvers Railway
- Mountain Biking
- High wire adventure
- Orienteering

See trip letter for more information.

Year 10

Well done Year 10 from Mr Cornwell and Mrs Vigliotti

With the end of the school year just 2 ½ days away, I get to communicate with you as Year 10 students for the last time, from September you pick up the mantle of Year 11 and the senior group of the school.

Much of what I wanted to say will echo what was said in our celebration assembly this week, but it bears repeating. You have been phenomenal this year!

From the exceptional feedback and conduct around the mock interview day, the maturity shown at your college taster days, to the way you approached your PPEs. Every step of the way you have shown yourselves to be driven, dedicated, and resilient all characteristics that will stand you in great stead not only for Year 11, but your lives beyond TPS.

Please take the summer break to relax, recharge, and enjoy yourselves. I look forward to seeing you all back in school on September 3rd, ready to show the world what you are capable of!

Thank you for allowing me to take this journey with you.

Warmest wishes,

Mr Cornwell

TPS - Spotlight

Chinese Visitors

This week TPS welcomed 14 students from China as part of its ongoing commitment to global educational partnerships. On arrival they received a warm welcome and had a wonderful day interacting with our students.

Guided by TPS peer mentors, the students will engage in a week of British education and enrichment activities, experiencing daily life at an outstanding school.

On Monday 13 July, Bohunt Horsham was delighted to welcome **Brogen Murphy**, author of *Wildlands* and winner of the 2026 BET Book Award, as voted for by our Year 7 judging panels.

After reading five shortlisted books throughout the Spring term and casting their votes in April, our Year 7 judges were thrilled to meet the winning author. Brogen captivated students with an engaging presentation about their passion for rewilding, and gave an inspiring Q&A, encouraging plenty of audience participation. Students also enjoyed having their books signed and meeting fellow judges from The Costello School, Bohunt Farnborough, Bohunt Liphook, Priory School, Steyning Grammar (Rock Road and The Towers), The Petersfield School, and Bohunt Worthing.

A huge thank you to Brogen for such a memorable visit, and to Steyning Bookshop for hosting a pop-up bookshop. The visit was a wonderful celebration of 'Wildlands', storytelling, creativity and reading.

Visiting Artist

Throughout the year, visiting artist Ren Fang Wooldrige has been working with a group of students in KS3.

Over several sessions on Wednesday afternoons, students have been discussing cultural diversity and developing their racial literacy whilst creating their own ceramic masks.

The meaning behind their designs were all really well considered and the diversity of colours, shapes and textures are amazing. Students should be really proud of what they have created.

Designs and selected masks will be on display in a collaborative school's exhibition at the John Hansard Gallery in Southampton later in the year.

Well done all involved!

ROBLOX
Powering Imagination

According to the Roblox website, 'Roblox is the world's largest interactive social platform for play.' For those of you who are unfamiliar with the game, it is a multi-player online gaming platform which allows children to play and create a variety of games in a 3D world. Roblox is free to play and available on all modern smartphones, tablets, desktops, Xbox One, Oculus Rift, and HTC Vive.

AGE RESTRICTION
13+

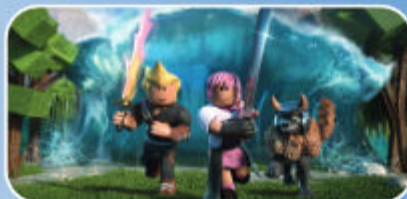

What parents need to know about

ROBLOX

ROBLOX STUDIO

The Roblox Studio allows users to create their own games and 'worlds' for others to play on the platform. As the games are user generated, it gives users the freedom to potentially include things you do not want your child to be exposed to, for example, weapons, violence and even pornographic content. There are no age restrictions on the games created in the Roblox Studio and to remove games from the platform Roblox relies on people reporting negative/violent content.

CHATTING & FRIEND REQUESTS

Whilst the games in Roblox are aimed at 8 to 18-year-olds, there are currently no age restrictions for signing up. This means that both adults and young people can play and communicate with each other and send friend requests through the platform. Once a friend request is accepted, this means that they can communicate with each other outside of gameplay.

ROBUX ONLINE PAYMENTS

When a user creates a game, they earn something called 'Robux', which works as a currency within the platform and enables the purchase of upgrades and memberships. If the created game is of good quality and attracts multiple players and in-game adverts, children have the ability to earn a lot of 'Robux'. Once a user has earned a certain amount of Robux, they can convert this to real cash and withdraw it to a PayPal account. To withdraw money, users need to be over 13, have a PayPal account and have paid for the Roblox premium subscription.

National
Online
Safety

Top Tips for Parents

ALERT!

Tell your children to be careful and to think twice before they click any random advert or popup. There are a lot of phishing scams that advertise free Robux etc. with the intent of stealing your child's personal information.

UNLIST SOCIAL MEDIA ACCOUNTS

Make sure your child's social media accounts are not listed in the settings/account information. If they are, advise them to set them to private or remove them from their account. This will ensure that nobody will be able to find and contact them on their social media platforms outside of Roblox.

CHECK SHARED INFORMATION

In the account settings, check that your child is not giving away any personal information in their bio/profile. For example, their full name, phone number or snapchat name. If you see that they have, explain why this is potentially dangerous and remove immediately.

2-STEP VERIFICATION

Roblox has a great two-step verification security feature which we recommend you enable to add an extra layer of security to your child's account.

HAVE A CHAT ABOUT 'GRIEFING'

Griefing is when someone purposely upsets another player in a game. This can be done by setting traps, damaging or stealing something from another player, intentionally killing them and generally doing something in the game to spoil their gameplay. Essentially, 'Griefing' is a form of cyberbullying and can be extremely frustrating and upsetting for players.

RESTRICT PAYMENT METHODS

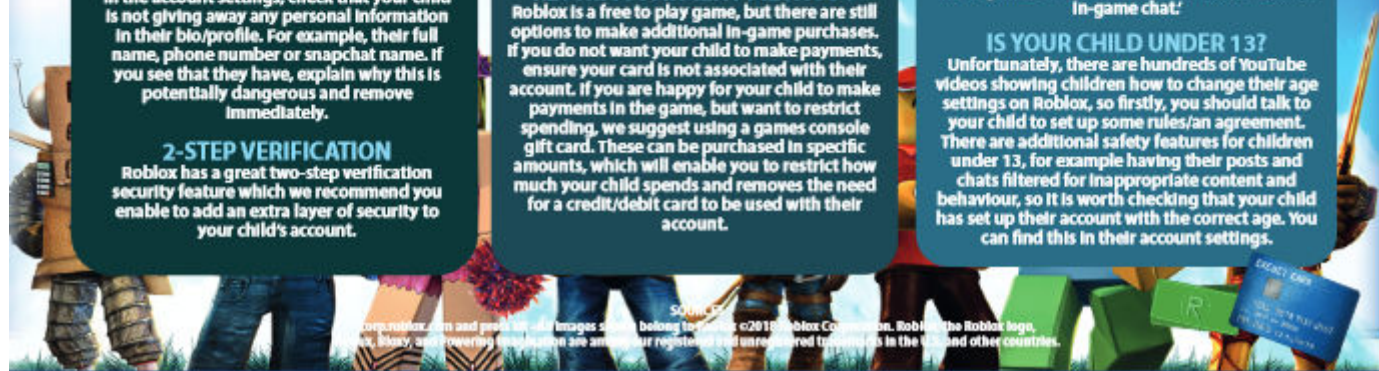

Roblox is a free to play game, but there are still options to make additional in-game purchases. If you do not want your child to make payments, ensure your card is not associated with their account. If you are happy for your child to make payments in the game, but want to restrict spending, we suggest using a games console gift card. These can be purchased in specific amounts, which will enable you to restrict how much your child spends and removes the need for a credit/debit card to be used with their account.

DISABLE IN-GAME CHAT

Roblox is great for children to play together and chat to each other. However, if you want to completely turn off in-game chat for your child (meaning they cannot contact anyone, including their friends) you can do so by following these steps: When logged in, go to the Account Settings page by clicking on the gear icon at the top right corner of the page, then click Settings. Next, click on the Privacy tab and under 'Who can chat with me in game?' select 'No one' and this will disable in-game chat.

IS YOUR CHILD UNDER 13?

Unfortunately, there are hundreds of YouTube videos showing children how to change their age settings on Roblox, so firstly, you should talk to your child to set up some rules/an agreement. There are additional safety features for children under 13, for example having their posts and chats filtered for inappropriate content and behaviour, so it is worth checking that your child has set up their account with the correct age. You can find this in their account settings.

Source: www.roblox.com and www.nos.gov.uk Images shown belong to Roblox ©2018 Roblox Corporation. Roblox, the Roblox logo, Roblox, Robloxia, and Powering Imagination are among our registered and unregistered trademarks in the US and other countries.

What a Year of Sport!

An error occurred.

Unable to execute JavaScript.

Congratulations to all of students who attended our annual sports presentation evening.

An event that saw nearly 350 people in attendance celebrating all of the students successes across a very busy year. Thank you to all of the parents, students and staff for all of your support throughout the year. Have a great summer and we look forward to 2026-2027.

TPS Primary Sports Festivals

This half term TPS has once again welcomed primary students from the local primaries to attend a series of fun sports festival.

We were due to kick off with the Year 6 event at the end of June but unfortunately the extreme weather meant it had to be cancelled. However the Year 2 day did go ahead with adjustments enabling the students to enjoy a morning of multi skills visiting 10 stations in total all run by our amazing Year 9 Sport Leaders. It was then onto the Year 5s who attended on Thursday and again enjoyed a morning of multi skills tackling 12 stations involving some sporting activities they had never tried before including flag NFL, spikeball and boccia. In the afternoon the Year 5 students took part in very competitive dodgeball tournament and it was great to see so many smiles on the students faces.

Once again this event would not have been able to happen without the Year 9 Sport Leaders who were exceptional in the way they lead the Year 5s and supported them throughout the day.

Also, a big thank you to the Sports Leaders who have helped at the TPS festivals, and those who visited Herne, Froxfield, Buriton and Liphook Juniors to support the primaries in running their own sports days.

Well done!

WATER SAFETY

Stay safe. Have fun. Enjoy the water. ♡

DROWNING IS ONE OF THE LEADING CAUSES OF ACCIDENTAL DEATH IN CHILDREN IN THE UK.

MOST INCIDENTS ARE PREVENTABLE.

As the weather warms up, children and young people spend more time around water – at home, on days out or on holiday. Let's keep them safe.

Almost half of drownings occur during the summer months when temperatures are higher – especially when 25°C or above.

THE HSCP WATER SAFETY TOOLKIT FOR PARENTS & CARERS INCLUDES:

EVERYDAY RISKS AT HOME

Including bath time safety and garden hazards.

STAYING SAFE OUTDOORS

Such as the beach, around rivers and in open water.

PRACTICAL SAFETY ADVICE

Including the Water Safety Code and how to "Float to Live".

AGE-SPECIFIC GUIDANCE

For babies, young children, older children and teenagers.

WHAT TO DO IN AN EMERGENCY

Including simple first aid steps and where to find further support.

Small actions, big difference ♡

- ✓ Keep children within arm's reach of water.
- ✓ Choose safe places to swim.
- ✓ Talk to your children about water safety.

Together, we can help prevent tragedies and keep our children safe this summer.

For practical advice and resources, download the Water Safety Toolkit:
www.hampshirescp.org.uk/parents-and-carers/water-safety/

Enjoy the water
Stay safe
Look out for each other
