

14 July 2026

As the summer term draws to a close, we are pleased to share with you our plan for Results Day, which takes place on **Thursday 20 August 2026**.

- **Year 10** GCSE Statistics results and/or Language results will be issued to students between **11:00am – 11:30am in the Sports Hall** on **Thursday 20 August**.
This session immediately follows the Year 11 collection session, which is taking place between 10am-11am.
- Students can arrive at school at any time during this time slot.
- We will set up 'collection stations' in the Sports Hall in alphabetical order by surname and students will be asked to sign for their results.

If you know your child is unable to attend Results Day

We hope to see as many of our Year 10 students as possible on Results Day, but we understand some students may not be available to collect their results. If this is the case, the following options are available:

- Students can nominate a friend or family member to collect their results on their behalf on the day. They must send a letter/email to me, stating the person they have authorised to collect their results.
- Students can provide a stamped addressed envelope and the results can be posted home on Thursday 20 August.
- Results can be collected from the Exams Office at the start of the school term in September.
- Alternatively, students can request for the results to be emailed to them later on the day. They will need to email me directly (emartin@petersfieldschool.com) from the email address which they would like the results to be sent to. If they would like a parent/guardian to be copied into the email containing the results, they will need to include this information in the email.

Please note that the results belong to the students, and any permission for any alternative collection arrangements **must** be from the student. Results will not be released to another person without written permission.

Proud to be part of the Bohunt Education Trust

Post Results Services

The Senior Leadership Team will be present on Results Day should your child have any queries regarding their results. This may include the Post-Results services available such as:

- Reviews of results (RoRs): Clerical re-check and/or review of marking
- Access to Scripts (ATS): Access to marked examination scripts

If you wish to find out more about the Post Results services available this year, and associated costs and deadlines, please refer to the **Post Results Guidance 2026**, which is available on the school website by clicking the following link:

<https://www.petersfieldschool.com/about/results-and-exam-information/>

Certificates

On Results Day, students will receive a 'statement of results'. This is not the final certificate.

Upon receipt of the certificates, which we receive during the Autumn term, we will store these safely and issue them with the rest of the certificates awarded following the final GCSEs next year, during our **Class of 2027 Leaver's Certificate and Celebration evening**. This is usually which is usually held in November time.

In closing, we hope you and your family have a lovely summer and we look forward to seeing your child on Results Day. In the meantime, please do not hesitate to contact me by emailing emartin@petersfieldschool.com if you have any queries or require any further assistance.

Yours sincerely

Emma Martin
Examinations and Assessment Officer
